## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2417

#### Hare's – Structure Fucker

It was off to a new location this week with Structure Fucker deciding to venture away from his usual spot at Sandgate and drag us off to Bracken Ridge for a play around the hills and miniature train lines. We had another good crowd turn up with 21 Hasher's making the trip.

At 6.30pm, Structure Fucker gave the run/walk instructions. He said that it was on that way and on chalk. Short and sweet. With that we were off.

#### The Run

There were four runners tonight being FIGJAM, B1, Chunda and Strong As Shit. They set through the park and were never seen again. They went off so far that the walkers were back for 30 mins before the last runner came back. That was also due to the last runner being Chunda, who decided to have a little lay down on the run, but more about that later.

- The run was about 6.5 km

#### The Walk

The walkers set off on what would end up to be a short walk. We headed up behind the school where we then turned right and headed up around the hills before coming back down and around the park and back home again for a nice short walk.

- The walk was 2.43 km.

## The Circle

The GM was keen to get things underway and tried to call the circle 3 times before all the runners were back. Each time he was told to get back into his box. Eventually the last runner made it back and the GM hit the go button. Cheesecake was asked to be the stand-in RA to keep the GM in line.

Pounda was asked to give the run count with no special runs this week.

We had a few returnee's/visitor's this week and one new walker. Raw Liver returned from overseas and we had Dangles and Pop Tart from Canberra Hash who have run with us before. Our new walker was Ayou who was brought along by Raw Liver.

The Hare was called to the center to be stoned to death for his sins.

Chunda was asked to give the run report – He said fucking hell, he got halfway around and had to lie down, which he did just short of a regroup. Arrows were too far apart and all over the shop. He gave it a score of **-10 out of 10**

Pounda was asked to give the walk report – He said that it was almost his least favorite run as there were so many hills. Nice and short though. He gave it a score of **-9 out of 10**

Flower was asked to give the security report – She said it was pretty quiet, Little Squirt didn't have a lot to say but what he did say was wrong. Then they saw some streaking Curlew's running around. She gave it a score of **10 out of 10**

### **Total of -9 out of 30**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Chunda – charged by FIGJAM for calling him grandpa and then laying down himself for a little sleep.	Big Dick – Tight Arse has this and was missing in action.
Little Squirt – charged by FIGJAM for still not having his licence. He is going to be charged each week for this until he gets it.	Two Dicks – B1 had these and gave them to Ten Fingers for not following the trail that was put down especially for him.
Ten Fingers – charged by Pounda for trying to call the circle early 3 times before the runners were back.	Grub Shirt – Little Squirt had this and gave it to FIGJAM for taking him on a five hour driving lesson. I think FIGJAM needs a medal.
Structure Fucker – charged by FIGJAM for parking in a handicap parking bay. His excuse is that he drives an LDV.	The Bone – Tight Arse has this and was missing in action.
B1 – charged by Chunda for being a concerning Hasher and going back and looking for Chunda.	The Walking Stick – Cheesecake had this and remembered to bring it. He gave it to Chunda as he had a little lay down on the run twice and clearly needed some help to walk.
Singapore Sling – charged by FIGJAM for staring at his tits.	The Dummy's – Heart Starter had these but was missing in action.
Birthday drinks for Rabbi and Structure Fucker	

Hash mash. Forgot to stop after my run walk effort.
