HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2418

Hare – Ground Sheet

As I was away interstate for this week's run, I will have to rely on a recording of the circle to try and write this Trash. So strap in and enjoy, because I have no idea what happened.

It was off to Bray Park this week for Ground Sheet to host a run and celebrate her big 60th birthday. It seemed there were a few Hashers away this week as numbers were down on previous weeks, either that or there are some slack arse Hasher's out there who just couldn't be bothered coming to Hash. We ended up having 15 Hasher's make the trip to help Ground Sheet celebrate.

At 6.30pm, Corn Cob sent everyone out the front and gave the run/walk instructions. I have NFI what he said as I wasn't there, but I reckon he would've said something like that it was on that way and on chalk. Short and sweet, just the way we like it.

The Run

I'm unsure but with the Jam's being away, I will have a rough guess and say that there were four runners tonight being Chunda, Strong As Shit, Ned and maybe Little Squirt (however I don't know about that last one as he is like a bowling machine set on random with someone looking for the off switch). Looking at the map of the run recorded by Chunda, I would say they managed to see a fair bit of Bray Park as the trail had them going all over the place, or was that just the seven checks that according to the map, Chunda got wrong. From all reports though, it was a good run set by Corn Cob.

- The run was about 6.12 km

The Walk

I have no idea what happened on the walk or how far they went, other than I was told that Corn Cob managed to set a really good walk.

The Circle

The GM and the RA were away so the duty was given to Rabbi to get the circle underway with Singapore Sling assisting him.

Smooth Ride was standing in for Pounda and was asked to give the run count with no special runs this week.

The Hare's were called to the center to be punished for their crimes.

Ned was asked to give the run report – He said it was interestingly set with a few new symbols and with no one carrying any chalk to mark the trail off, Chunda had to use gum leaves instead. He gave it a score of **8 out of 10**

Tail was asked to give the walk report – She said that it was excellent, well set, well-marked and interesting and it wasn't too long (something you don't usually hear a Harriette say). She gave it a score of **2.5 out of 10**

Sherbet was asked to give the short cutting bastards report – She said it was fabulous. She gave it a score of **1 out of 10**

Total of 11.5 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Little Squirt, Rabbi, Sherbet – charged by Corn Cob for being short cutting bastards.	Big Dick – Tight Arse has this and was missing in action.
Singapore Sling – charged by Rabbi for missing FIGJAM, maybe he wanted to look at FIGJAM's tits again.	Two Dicks – Ten Fingers had these but was missing in action.
Little Squirt – charged by Chunda in the absence of FIGJAM because he still hasn't got his licence.	Grub Shirt – FIGJAM had this but was missing in action.
Birthday drink for Ground Sheet	The Bone – Tight Arse has this and was missing in action.
	The Walking Stick – Chunda had this and has contracted Cheesecake's disease and left the Stick at home. He was made to have a drink for his forgetfulness.
	The Dummy's – Heart Starter had these but was missing in action.
