HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2419

Hare – BNH3 Camping Trip

There was a big group of 42 Hasher's that gathered at Blackbutt Showgrounds for the BNH3 Annual Camping Trip.

The majority stayed at the showgrounds in everything from Little Squirt in his swag, many in camper trailers and caravans right up to Vanderwho and Boobrella in their Hilton Hotel on wheels motorhome, while the rest decided to bed down at the Radnor Hotel, except for Rabbi and Raw Liver, who couldn't find accommodation in Blackbutt and had to go up and down the range each day to the little town of Moore.

Friday started off with setting up camp before most of us ventured off the 600m to the pub for dinner and a few drinks where we managed to watch the football on TV. Chunda did his best to try a recruit some young lads that were in the bar enjoying a few drinks. He even went the extra effort by getting on the drinks with them until about 2am in the morning.

Saturday came and Tail and Flower served up lunch to get the mob ready for the afternoon of exercise and a few beverages.

Strong As Shit eventually made it to the camp ground at 1.59 and 58 secs, allowing for quiet to be called to get the run and walk underway. Pounda delegated the task of Hare's to Chunda and Overproof.

Chunda being a slack prick and the fact there were only 3 runners decided to set a live Hare. Overproof after being only asked the night before to Hare the walk, came up with a nice 3.33km walk that took us through the bush to start with before making our way through the suburban streets of Blackbutt before making our way back to the showgrounds again.

The Circle

The GM was away so the RA stepped up as GM and got things underway and started off by thanking Pounda, Chunda, Beat-a-Root, Heart Starter, Illegally Blonde, Structure Fucker, Tail and Flower for putting in so much work into organizing the weekend and providing all of the amazing food and grog for the weekend.

Pounda was asked to give the run count with a few milestones that were raised in the circle on Monday night Hash instead.

The Hare's were called to the center to be punished for their crimes.

Strong As Shit was asked to give the run report – She said it was really good, well-marked until it wasn't and then they just followed Chunda around until they had enough and headed for home. She gave it a score of **6 out of 10**

Red Hot Chili Willy was asked to give the walk report – He said that it was reasonably hot, pretty good walk and wasn't too long with one excellent drinks stop thanks to Pounda. He gave it a score of **8 out of 10**

Total of 14 out of 20

The circle was thrown open to Charges, however there were way too many and not enough room on the page to list them all.

The circle was eventually closed and Hash Mash was served up with pumpkin soup, chili con carne, chicken and veg with rice, beef and red wine with mash potato followed by desert with lemon cheesecake, pavlova, caramel and cream tarts and choc fudge slices with cream.

Many drinks were had throughout the night before everyone reconvened back at 8am on Sunday for a BBQ breakfast.
