HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2420

Hare – Sex Change

It was off to Northgate tonight for Sex Change's run in Plaisted Park. As it was post BNH3 Camping trip, there were a few Hasher's away as they were probably still hung over from Saturday night.

We ended up having 18 Hasher's make the trip to experience Sex Change run route number 1.

At 6.30pm, Sex Change gave the run/walk instructions. He said it was a long walk of about 6km but there was a short cutting pricks (SCP) trail for those that didn't want to do the whole walk. Runners were set for a little further than that and the trail was on chalk and toilet paper.

The Run

The runners set off on the same trail as the walkers and had to endure a few extra loops that kept them with the walkers every now and then. They did manage to get back after the walkers though after they missed the trail coming out of Goss Road that would've sent them across Sandgate road and up the hill; instead they went down Sandgate Road looking for trail that wasn't there.

- The run was about 9.23 km

The Walk

The walkers set off after the runners, up past the bowls club to Gympie Street, where we turned left before going down and across Strong As Shit's park and up past her house before going up over Virginia train station. Across Northgate Road and through the park and through the tunnel under Sandgate Road, up through another park and across the walk bridge over and along the creek, back over another walk bridge over the creek before winding our way through the back streets and out onto Goss Road and up to Sandgate Road, on over and up the hill back to the start again.

- **The walk was 6.2 km**

The Circle

The GM was missing so the RA got things under way.

Pounda was asked to give the run count with a couple of notable mentions for run numbers this week.

The Hare was called to the center to be punished for his crimes.

Rabbi (250 runs), Structure Fucker (250 runs) and Stromg As Shit (50 runs), were all giving a drink for there milestones.

FIGJAM was asked to give the run report – He said they went down the hill looking for trail that wasn't there and went past the butcher shop twice, but otherwise it was a medium to good run, a bit long. He gave it a score of **2 out of 10**

Raw Liver was asked to give the SCP walk report – She said that they managed to get lost towards the end just like Singapore Sling who did the whole walk but managed to get lost at the end as well and had to walk a little bit extra because they were blind fuck. She gave it a score of **5.2 out of 10**

Total of 7.2 out of 20

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Heart Starter – charged by Pounda for spending too much time with Beat-a-Root and corrupting her. At 3am on Monday morning, Pounda went to reach for the doona in bed, only to be met by stern resistance from Beat-a-Root claiming that he was trying to pinch her half of the doona.	Big Dick – Tight Arse has this and was missing in action.
Pounda, Chunda, Structure Fucker, Heart Starter and Why Not – charged by Rabbi for putting on a fantastic camping weekend at Blackbutt.	Two Dicks – Ten Fingers had these but was missing in action.
Smooth Ride – charged by Why Not for not wearing her necklace to Hash that Why Not and Ten Fingers went to a lot of trouble to get for her. And for also trying her best to meet the Grim Reaper at the weekend by passing out and collapsing in the middle of the circle.	Grub Shirt – FIGJAM had this and gave it to Smooth Ride for
Heart Starter, Raw Liver, Smooth Ride and Vampire for being browns cows and blocking the pathway for a cyclist.	The Bone – Tight Arse has this and was missing in action.
FIGJAM – charged by Rabbi for going to the Solomon Islands and being traumatized by the Solomon's Hashers, enough to make him miss the BNH3 camping trip.	The Walking Stick – Chunda had this and gave it to Ground Sheet for being responsible for baring Little Squirt who had a little spew out on the camping trip run.
Corn Cob – charged by Ground Sheet for forgetting to bring the Pepsi to go with their rum.	The Dummy's – Heart Starter had these and gave them to ET for complaining about how long the walk was tonight.
Strong As Shit – charged by Pounda for getting a full days' notice that the camping trip run started at 2pm and then turning up at 1.59.58 secs.
