## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2421

#### Hare – FIGJAM & B1

Another Monday night and we were off to rural Burpengary to the Jams place. As it was advertised as FIGJAM being the Hare, they came out of the woodwork and we ended up having 22 Hashers ready for a FIGJAM special.

At 6.30pm, quiet was called for and FIGJAM gave the run/walk instructions. I can't recall exactly what was said but I do recall something about him saying be careful when going down the driveway, just in case Strong As Shit comes flying in late.

#### The Run

It was out the gate to the right and then another quick right up the hill. That's where we lost the runners until they were seen later on running past the school. After a few more loops they ended up coming back home via Rivergum Drive.

- The run was 6.89 km

#### The Walk

The walkers set off to the right and followed Rivergum Drive down before turning off for a little loop before coming back out onto Rivergum Drive again and following it to Hauton Road where we turned right again. On up to Kurrajong Drive, another right and followed that around past the school to Rowley Road, another right turn and up Rowley Road past the Peckerwood Pub before turning right again onto Laurel Drive and followed that back home again.

- The walk was 4.29 km

## The Circle

The GM was back and got things under way.

Pounda was asked to give the run count with one notable mention this week with Why Not chalking up 50 runs.

We had a visitor tonight in Cum Too Early from Gravel Rash Bike Hash in Darwin via Newcastle.

There were three returnee's this week. Please Explain, Generic and Robinson Crusoe.

The Hare's were brought into the center to be stoned to death for their crimes.

Chunda was asked to give the run report – He said that it was well marked but there was only one re-group. He enjoyed the run though. He gave it a score of **0 out of 10**

Bitta Relief was asked to give the walk report – She said that it was a lovely walk as it was flat. Although on the way home we encountered arrows going the wrong way which fucked with her OCD. She gave it a score of **10 out of 10**

Corn Cob was asked to give the security report – He said that the dog managed to keep the rats away so that was good. He gave it a score of **2 out of 10**

**Total of 12 out of 30**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
FIGJAM – charged by Why Not for feeding his dog too much. The RA doesn't like it when there is one fatter than him.	Big Dick – Tight Arse has this and was missing in action.
Pounda – charged by Why Not for taking a tumble out on the walk only 200m from the start.	Two Dicks – Ten Fingers had these and gave them to Tail for being our Hash wench and dressing up like a German Beer Wench.
Singapore Sling – charged by FIGJAM for the Singaporean Army crashing into each other.	Grub Shirt – Smooth Ride had this and gave it to Pounda for wardrobe collaboration with our visitor Cum Too Early. Both were wearing Darwin Hash shirts.
Little Squirt – charged by FIGJAM for saying that he did a Chunda. He had a lay down on the run.	The Bone – Tight Arse has this and was missing in action.
Little Squirt – charged by FIGJAM as he still doesn't have his licence.	The Walking Stick – Little Squirt had this and decided to keep it for another week.
Little Squirt – charged by Pounda for doing a Strong As Shit and coming into Hash as the rest of us are setting out on the walk.	The Dummy's – ET had these and gave them to FIGJAM for whining about everything.
RA – charged by the GM because it rained out on the walk/run.	
B1 was brought in and sat on the ice as he was away for his 18 <sup>th</sup> birthday.
