## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2423

#### Hare – Heart Starter & Overproof

Another Monday night Hash and this time we were off to virgin territory at North Lakes. Heart Starter and Overproof sold their Kallangur home and moved into their unit in North Lakes, so we rocked up to the park on Flinders Parade instead for an Overproof adventure. The word must have also gotten out that Heart Starter was cooking up a storm as we ended up having 24 Hashers make the trip.

At 6.30pm, quiet was called for and Overproof gave the run/walk instructions. He said it was on chalk with a little bit of shiggy and a SCB route as well and with that we were off.

#### The Run

There were five runners tonight being FIGJAM, B1, Little Squirt, Strong As Shit and our resident larrikin Chunda. They were on the same trail as the walkers with a few extra loops here and there.

- **The run was 6 km**

#### The Walk

The walkers set off on the same trail as the runners with SCB trail that saw them miss out on going around the lake and seeing the resident turtles. This meant that 8 walkers completed the full walk around the lake and old golf course. A rather flat walk which was good to see and the shiggy didn't turn out to be wet at all. - **The walk was 5.29 km with the SCB's doing 3.59 km**

## The Circle

The GM called for a circle and got things under way and anointed Structure Fucker as this week's RA. Pounda was asked to give the run count with one notable mention this week with Singapore Sling notching up 150 runs.

There were two returnees this week. Jake the Peg was back from his trip to his motherland to visit the King and Tight Arse finally remembered that Hash was on a Monday night and made an appearance.

The Hare's were called to the center to be judged by the crowd for their virgin territory run.

Little Squirt was asked to give the run report – He said that it was set very well, a run around the lake and through the shiggy where he got hit in the head twice by branches. I think he has been hit in the head more than twice. He gave it a score of **1 out of 10**

Cheesecake was asked to give the walk report – He said that it was a bloody good walk, well-marked and nice and flat. He gave it a score of **-1 out of 10**

Vampire was asked to give the SCB walk report – She said that it was very well-marked and was a really good short walk but they still had to go through the shiggy. She gave it a score of **3 out of 10**

Ground Sheet was asked to give the security report – She said that it was very nice and quiet with only the sounds of the crickets. She gave it a score of **2 out of 10**

**Total of 5 out of 40**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Little Squirt – charged by FIGJAM for going from not having a torch to buying three of them.	Big Dick – Tight Arse had this and gave it to Singapore Sling for not ordering a beer in the pub while waiting for ET to go to the toilet.
Little Squirt – charged by Structure Fucker for still not having his licence.	Two Dicks – Tail had these and gave them to Jake the Peg for his smart arse comment about Tail thinking.
Ground Sheet – charged by Pounda for whining that there were no chairs to sit on because Little Squirt didn't get her chair out of the car. I don't know what those wooden things were in front of the tables.	Grub Shirt – Heart Starter had this and gave it to Robinson Crusoe because she has never had the pleasure of receiving this prestigious award.
Overproof – charged by Jake the Peg for not being able to drive properly and having to disconnect his camper trailer to get it around the corner of Dog's shed on the weekend.	The Bone – Tight Arse had this and gave it to Katut the dog. Sherbet stepped forward and took the award.
FIGJAM – charged by Jake the Peg for wearing a vest at Dog's wedding and leaving the Lifeline tag on it. He wanted to leave it on so he could take it back on Monday after wearing it.	The Walking Stick – Little Squirt had this and gave it to FIGJAM for worrying about Little Squirt as a Grandpa should.
Tight Arse – charged by Little Squirt for wearing a hat in the circle.	The Dummy's – Little Squirt had these and gave them to Pounda for making a mistake in the writing of the Hash Trash
Chunda – charged by FIGJAM for referee abuse during the ping pong game at Dog's house.	
Pounda – charged by FIGJAM for making a mistake in the Hash Trash.
