HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2424

Hare – B1

This week we were definitely off to virgin territory and we ended up at Narangba, for B1 to lead us on an adventure through the parklands. We had a good crowd of 20 Hashers that made the trip including out of towners Dog, Illegally Blonde and Tika who travelled from Woodford. Let that be a lesson to you other slack arse Hashers who thought it was too far to travel.

At 6.30pm, quiet was called for and B1 gave the run/walk instructions. He said it was a short run and walk, but then he started on about some distances that I'm sure he stuffed up. With that we were off.

The Run

There were six runners tonight being FIGJAM, B1, Little Squirt, Strong As Shit, Cum Too Early and that bloody pest Chunda. They were on the same trail as the walkers until about the 3km mark where they went off on their own trail. They did however manage to mark off all the checks for the walkers, which was really good of them. Keep up the good work.

- The run was 4.87 km

The Walk

The walkers set off on the same trail as the runners following the pathway beside the creek at the back of the residential area. Across a couple of little bridges, through some back streets and back along the creek line again before going scrub and reappearing back at the park again. A reasonably flat walk with only a couple of little hills and a very sketchy log across the creek, which could've ended up in tragedy for anyone that slipped on the log. - The walk was 3.79 km

The Circle

The GM and RA were both away so Singapore Sling and Structure Fucker took charge and got things under way.

Pounda was asked to give the run count with no notable runs this week.

There were three returnee's this week. Corn Cob has apparently been working and Dog and Illegally Blonde have been busy getting married.

The Hare was called to the center to be praised for his wonderful run.

Cum Too Early was asked to give the run report – He said that there were just enough re-groups so that he could catch his breath which was good. Wasn't not too hilly and not a bad run. He gave it a score of **2 out of 10**

Tight Arse was asked to give the walk report – He said that it was well-marked which was good as the battery on his torch was running low. He gave it a score of **2 out of 10**

Rabbi was asked to give the SCB walk report – He said that he was very grateful for the fact that Pounda and Structure Fucker waited up for them and were able to give them a short cut back home again. He was then able to follow the other SCB's and they didn't get lost. He gave it a score of **2.7 out of 10**

Ground Sheet was asked to give the security report – She said that it was really good with matching dogs and pretty lights on a cyclist to keep her amused. She gave it a score of **1 out of 10**

Total of 7.7 out of 40

The circle was thrown open to Charges and Awards as below.

| Charges | Awards |
|--|--|
| Raw Liver and ET – birthday girls – 21 again | Big Dick – Singapore Sling had this and gave it to Flower for nearly having a heart attack after a cane toad passed in front of her on the walk. |
| Little Squirt – charged by himself for still not having his licence. | Two Dicks – Jake the Peg had these and was missing in action. |
| FIGJAM – charged by Chunda for setting the trail and not owning up to it. He got a bonus beer. | Grub Shirt – Robinson Crusoe had this and gave it to Corn Cob because he hasn't had it yet. |
| Strong As Shit – charged by Rabbi for sitting at a set of lights in front of them and looking like one of those bobble heads while she was bopping away to her loud music. | The Bone – Sherbet had this and was missing in action. |
| Corn Cob, Ground Sheet and Little Squirt – charged by FIGJAM for all wearing red shirts and still supporting Aunty Palaszczuk and her Labor party. | The Walking Stick – FIGJAM had this and gave it to Chunda for charging him for doing something that the circle said he didn't. |
| Corn Cob, Ground Sheet, Little Squirt, ET, Singapore Sling and Robinson Crusoe – charged by Rabbi for not having a life and having to put up with Raw Livers birthday at three Hash's this week. | The Dummy's – Pounda had these and didn't have a recipient so he kept them. |
| Corn Cob tried to charge Little Squirt for speeding through a speed camera, but this was reversed as he was only doing 60 in a 60 zone and Corn Cob has been working off NSW rules where it is 10km under for a learner. | |

Little Squirt – charged by FIGJAM for driving to Hash tonight and then we heard sirens around the corner as a pedestrian was hit by a car.
