HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2425

Hare – Chunda

Back to familiar ground this week to our Brew Master's abode for what is generally a bloody top run/walk. And it would have been as well except for a rather nasty storm cell that rolled in and clearly had other ideas. Despite that we still managed to get 20 Hashers along for what can only be described as the run of the year.

At 6.30pm, despite the storm rolling in, we all (well most of us except for a few sooks) wandered out the front to get the run/walk instructions. Chunda said that he set three lots of trail. A run, a walk, a SCB walk and a short short walk. I think I counted four there but we will just go with it anyway. With that we were off.

The Run

There were five runners being FIGJAM, B1, Strong As Shit, Cum Too Early and the Hare. They were on the same trail as the walkers until about the 675m mark where due to the storm and the lightening they said 'stuff this' and headed for home. - **The run was 870 m**

The Walk

The walkers set off on the same trail as the runners, up Sheehan Street and left through a lane way to Boardman Street and left again and up to Andrew Street, where they then followed the runners back home again. All except for Ten Fingers and Killer who somehow managed to get lost on an 870m walk. I don't know where they went but they eventually found their way back home again after a search party went out looking for them. - **The walk was 870 m**

The Circle

The GM got things underway with his stand in RA Singapore Sling.

Pounda was asked to give the run count with no notable runs this week.

There was one returnee's this week. Bitta Relief doesn't know where she has been and clearly doesn't know where she is going.

The Hare was called to the center to be punished for his crimes.

FIGJAM was asked to give the run report – He said that it was a grueling track with no false trails, no drink stops and no halt checks. It was basically a sprint from the start to the end. He gave it a score of **1 out of 10**

Overproof was asked to give the walk report – He said that it was short and sweet, safety came first and we thought we were going to get fried so we ran straight home again. I mean waddled home again. He gave it a score of **4 out of 10**

Total of 5 out of 20

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Ten Fingers and Killer – charged by the RA for getting lost on an 870m walk.	Big Dick – Flower had this and gave it to Killer for getting lost out on the walk. His mistake was thinking that Ten Fingers knew where he was.
Little Squirt – charged by himself for still not having his licence.	Two Dicks – Jake the Peg had these and forgot to bring them so he was made to have a drink for his trouble.
Singapore Sling – charged by Pounda for being the stand-in RA and not keeping the rain away.	Grub Shirt – Corn Cob had this and was made to keep it as he didn't do a walk and therefore didn't wear it on the walk.
Killer – charged by FIGJAM for his phone going off back at home while he was being searched for. He forgot to take his phone on the walk and therefore couldn't be reached to find out where they were.	The Bone – Sherbet had this and was missing in action.
Cum Too Early – charged by Bitta Relief for it being his last run with BNH3 as he is pissing back off home.	The Walking Stick – Chunda had this and gave it to Ten Fingers so he can find his way on a walk.
Cum Too Early – charged by Pounda for wearing a hat in the circle.	The Dummy's – Pounda had these and gave them to Cum Too Early and he has spat the dummy and is pissing back off to Newcastle.
Overproof – charged by Jake the Peg for getting a phone call from Heart Starter and was heard saying yes dear, ok dear.	
ET – charged by FIGJAM for asking if the Xmas party was at his place. Even though it has been on the weekly Trash for weeks.	
Chunda got a drink as he became a poppy for the 6 th time. His daughter Court Jester had a baby girl on Friday.
