## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2426

#### Hare – Bitta Relief

It was off to Gaythorne this week with Bitta Relief putting her hand up to Hare a run at short notice. The message mustn't have got out though as we ended up only having 9 Hashers turn up. There were a few away in Cambodia or somewhere like that, but all the important Hashers were at Bitta's place.

At 6.30pm, quiet was called for so Bitta Relief could give the run/walk instructions, where she then managed to throw flour all over Pounda (more on that later). She said that it was on flour, paper and chalk, and with that we were off.

#### The Run

There were four runners being FIGJAM, B1, Strong As Shit and the cheeky little ratbag Chunda. They were on the same trail as the walkers for the first half of the run but then they speared off for a rather long loop over to Shand Street before heading back home via South Pine Road and Hurdcotte Street.  
 - **The run was 6.03 km**

#### The Walk

The walkers set off (all four of them) on the same trail as the runners with a couple of false trails to deal with. Front walkers Smooth Ride and Pounda set a cracking pace with Structure Fucker and Ten Fingers bringing up the rear. Around the cricket oval, through the soccer park and onto the Kedron Brook bikeway. From there we followed it up to South Pine Road where we had a couple of false trails along the way. We then turned right and headed up to Hurdcotte Street for another right turn and headed for home. - **The walk was 4.32 km**

## The Circle

It was a small circle and the GM got things underway with his stand in RA Structure Fuckers.

Pounda was asked to give the run count with no notable runs this week.

There was one returnee's this week. Smooth Ride was back from another overseas trip, this time to Columbia.

The Hare was called to the center to be praised for her efforts.

B1 was asked to give the run report – He said that it was a pretty good run. He did zero checks so it was even better for him. Not too long not too short. He gave it a score of **1 out of 10**

Smooth Ride was asked to give the walk report – She said that it was an absolutely awesome walk, very well marked. The false trails were a bit tricky as she didn't know the area so she didn't know where she was going. She gave it a score of **10 out of 10**

### **Total of 11 out of 20**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
B1 – charged by himself for leaving his phone in the car, forcing Chunda to take photos instead.	Big Dick – Killer had this and was missing in action.
Little Squirt – charged by B1 for still not having his licence. As Little Squirt was absent, B1 tried to select a stand-in and selected Pounda for being the tallest. This was reversed as B1 is actually taller.	Two Dicks – Jake the Peg has these and was missing in action.
Bitta Relief – charged by Pounda for Hasher abuse by throwing flour over him while explaining the run/walk. She threw it straight up in the wind and Pounda was standing in the wrong place at the wrong time.	Grub Shirt – Corn Cob had this and was missing in action.
Strong As Shit – charged by Pounda for messing up his mojo and paying her run fee in \$5 notes instead of her usual \$50 note. And arriving five minutes early. What is going on?	The Bone – Sherbet had this and was missing in action.
Chunda gave a bonus drink to Bitta Relief for lost property as she left a drink bottle behind at Chunda's place.	The Walking Stick – Ten Fingers had this and gave it to Smooth Ride for getting the GM a gift while she was away and then forgetting to bring it.
	The Dummy's – Pounda had these and gave them to B1 for whinging about spot lights before the run.
