HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2427

Hare – Structure Fucker

With a small crowd last week and the impending storms inbound, we ventured off to McPherson Park in Bracken Ridge for another Structure fucker classic run. It was promised to be a flat run and Structure Fucker sure didn't disappoint. Even with the storms threatening and some Hashers still away in Cambodia, we still managed to get 14 Hashers along.

At 6.30pm, or sometime after that as we were waiting for one Harriette in particular to try and find her way to Hash, quiet was called for so Structure Fucker could give the run/walk instructions. I have no idea what was said as I was too busy talking at the time and missed everything. I looked up and everyone was scampering away like startled Gazelle's.

The Run

There were only three runners tonight, that being FIGJAM, Strong As Shit and BNH3's fittest grandpa Chunda. They started off on the same trail as the walkers but then were sent on an extra-long loop beside the Gateway Motorway eventually meeting back up with the walkers just around the corner from. - **The run was 5.35 km**

The Walk

The walkers set off on the same trail as the runners, up a slight rise up Tomah Rd before turning left onto Phillips St and then right onto Denham St, up to Telegraph Rd where we then took a left and then another left onto Quinlan St for a long straight walk all the way to Barret St. From there we turned left and headed for home coming in around the back of the shopping center and back into McPherson Park again. - **The walk was 4.23 km**

The Circle

The GM eventually got things underway with his stand in RA Structure Fucker.

Pounda was asked to give the run count with no notable runs this week.

There were three returnee's this week. Sherbet, Vampire and Ryvita all graced us with their presence again. No idea where they have been as the GM didn't ask.

The Hare was called to the center to be punished for his efforts.

Chunda was asked to give the run report – He said that it was fucking flat, it was flat, it was flat, a couple of bends, two checks, flat, boring and wasn't one of his better runs. He gave it a score of **-5 out of 10**

Cheesecake was asked to give the walk report – He said that it was a good walk and he concurred with Chunda about the boring bit as it was a big rectangle. He gave it a score of **-5 out of 10**

Ground Sheet was asked to give the security report – She said that it was lovely, nice and cool and no mosquitos. She gave it a score of **10 out of 10**

Total of 0 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Ryvita and Vampire – charged by Pounda for not shutting up since the circle started.	Big Dick – Killer has this and was missing in action.
Vampire – charged by Pounda for saying during the walk report something that I have never heard a Harriette say. She said it was just the right length.	Two Dicks – Jake the Peg has these and was missing in action.
Vampire – charged by Ten Fingers for having a bit of trouble finding Hash tonight. She was observed cutting laps around the park trying to find us.	Grub Shirt – Corn Cob had this and gave it to FIGJAM for whinging after he came back from the run.
Little Squirt – charged by FIGJAM for not having his licence yet.	The Bone – Sherbet had this and forgot to bring it so was made to have a drink for her trouble.
Ground Sheet, Corn Cob, Little Squirt and Vampire – charged by Strong As Shit as she works really hard to be right on time to Hash each week making her the last one to get to Hash, and these four stole her thunder.	The Walking Stick – Smooth Ride has this and was missing in action.
Bitta Relief – charged by Structure Fucker for running out on the walkers trail.	The Dummy's – FIGJAM had these and gave them to Little Squirt, one for spitting the dummy and one for being a dummy.
Strong As Shit was given a drink as it was her birthday on Friday.
