## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2428

#### Hare – Pounda & Beat-a-Root

It was off to Lawnton to what was billed to be the run of the year, and the Hare Pounda didn't disappoint, setting a cracking trail that was enjoyed by all. With still a few Hashers away overseas we still managed to get 15 very enthusiastic Hashers along for a great night of Hashing.

At 6.32pm, quiet was called for and Pounda gave the run/walk instructions. The trail is all on chalk, there are no hills and lots of water. He also said that Lawnton is a big suburb with its own postcode so the trail would be entirely in Lawnton and to go out and find trail. With that the pack was off like frightened wildebeests running for their lives.

#### The Run

There were only two runners to start with being FIGJAM and Chunda but were eventually joined by Little Squirt after he arrived late. They started off on the same trail as the walkers blazing away and marking off all the checks, until they were then sent on a loop under the railway, around to the train station and then back up over the railway before eventually catching back up on the trail with the walkers. This was beneficial to the runners as the walkers then managed to do a few checks and mark them off for the runners. - **The run was 6.93 km**

#### The Walk

The walkers set off chasing the runners up through the steep climb to the upper section of Lawnton before winding their way back down Todds Rd and through Spotty's old place onto Francis Rd and back home again. The walkers helped the runners out by doing a few checks of their own, meaning that the runners didn't have to do them. - **The walk was 4.81 km**

## The Circle

The GM was away so the stand in RA Structure Fucker took charge and got things underway.

Pounda was asked to give the run count with no notable runs this week.

There were no returnee's this week.

The Hare was called to the center with his lovely wife to be praised for their amazing efforts.

FIGJAM was asked to give the run report – He said that it was well done as per normal. The hills were pricks and there was no shiggy so the hare lied about that. He gave it a score of **1 out of 10**

Cheesecake was asked to give the walk report – He said that it was a good walk, well-marked and we had a few checks to do, nice couple of little hills and all in all it was a good walk. He gave it a score of **1.5 out of 10**

Killer was asked to give the short walk report – He said that there too many bloody hills. He said that Pounda lied as there was one more uphill after he was told that it was all downhill after Pounda had sent him on the short cut. He gave it a score of **1 out of 10**

Ground Sheet was asked to give the security report – She said that it was lovely, very nice with no rain. She gave it a score of **1 out of 10**

**Total of 4.5 out of 40**

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Chunda – charged by Pounda for getting the run number wrong.	Big Dick – Killer had this and gave it to Sherbet as she gave him the bone.
Little Squirt – charged by FIGJAM for skiting about his paycheck.	Two Dicks – Jake the Peg has these and was missing in action.
Overproof – charged by Chunda for trying to get the runners to slow down and wait up for the late runner.	Grub Shirt – FIGJAM had this and gave it to Chunda for surviving the shootings in Kallangur last week. It turned out it was two doors up from Chunda's place.
Little Squirt – charged by himself for not having his licence yet.	The Bone – Sherbet had this and gave it to Killer because he was so quiet.
Cheesecake and Overproof – charged by Structure Fucker for not waiting at the regroup for the rest of the walkers.	The Walking Stick – Smooth Ride had this and gave it to Little Squirt so that he can blend in with the pensioners at Sandgate.
Pounda – charged by Overproof for locking up his goats. They were heard out on the walk but were locked up.	The Dummy's – Little Squirt had these and gave them to Overproof for trying to tell the runners to slow down.
Little Squirt and Ground Sheet – charged by Pounda for upsetting Strong As Shit last week by not letting her be the last to Hash. This made her so late this week that she still hadn't turned up by the time the circle was almost over.
