HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2429

Hare – Cheesecake

We were off to Kallangur Heights (that the part of Kallangur that doesn't have shootings) this week for Cheesecake's first set run since he had his wing clipped. We had most of our travelling Hash crew back from wherever they went Hashing to which bumped our numbers up to 20 Hashers ready to enjoy the ups and downs of Kallangur Heights.

At 6.30pm, due to the Hare being out resetting the trail, Pounda sent the pack out to the road to give the run/walk instructions. The trail is all on chalk and the trail is on the pathways. With that the pack was off like pensioner discount day at the local variety store, something you just don't want to get in the way of.

The Run

There were four runners this week being FIGJAM, Little Squirt, Ned and our little princess Chunda (I say this because he has hurt his back and was crying like a little princess about it). They were sent off on the same trail as the walkers before being sent off on an extra loop to keep them entertained. They eventually caught back up with the walkers for the last push back home again. - **The run was 6 km**

The Walk

The walkers set off chasing the runners through the streets of Kallangur before then finding their own trail and for the second week in a row had to do some checks of their own. Down by the cricket fields to Dakabin station and back around past the soccer fields before crossing Marsden Rd and back through the back streets before coming out at Dakabin primary school and back home again. - **The walk was 4.27 km**

The Circle

The GM was away again so the stand in RA, Structure Fucker took charge and got things underway. Pounda was asked to give the run count with no notable runs this week.

There were a few returnee's this week being the twins Flower and Tail, ET and Singapore Sling who were all back from Saigon or Cambodia or Thailand and Ned back from the Whitsundays.

The Hare was called to the center to be punished for his crimes.

Little Squirt was asked to give the run report – He said that the run was great, arrows were well marked although some were a little faded due to the rain, the checks were good and four regroupings as well. He gave it a score of **1 out of 10**

Smooth Ride was asked to give the walk report – She said that it was well marked and it was good that the people around the corner at the Xmas lights had stopped punching each other up. She gave it a score of **6 out of 10**

Heart Starter was asked to give the short walk report – She said that it was a very pleasant walk with great company (she was walking by herself and having a three way conversation). She gave it a score of **2 out of 10**

Total of 9 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Chunda – charged by Pounda for lost property. He left his stinking Ford stubbie cooler behind.	Big Dick – Sherbet had this and was missing in action.
Little Squirt – charged by Corn Cob for leaving his wallet behind on the train.	Two Dicks – Jake the Peg has these and was missing in action.
Structure Fucker – charged by Bitta Relief for running on the walk.	Grub Shirt – Chunda had this and gave it to Structure Fucker because he hasn't had it enough.

Ned – charged by Little Squirt for waiting up at the first re-group and then being nowhere in sight at the next re-group.	
Ned and Little Squirt – charged by Chunda for both running around the neighborhood shirtless.	
Ned and Little Squirt – charged by FIGJAM for only taking 6000 steps to do the same distance that took FIGJAM and Chunda 8000 steps to do.
