## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2430

#### Hare – Chunda

Another Monday Hash night and we were off to lower Kallangur (the part of Kallangur that does have shootings) for another Chunda adventure. The rains parted for a glorious day and it was the first time for a while that Chunda was able to set a run that was actually followed. Due to the run clashing with the Red Dress Run, we were down a little bit on numbers but still managed to get 14 Hashers along to enjoy the night.

At 6.30pm, the pack was sent out the front and due to the Hare being out setting the rest of the trail after he ran out of chalk earlier, Cheesecake gave the run/walk instructions. The trail is all on chalk. Short and sweet. With that the pack was off like startled gazelles being chased by a lion.

#### The Run

There were only two runners being FIGJAM and B1 who returned after getting a few tractors bogged out west. Our Hare was already out finishing off the trail. They were off on the same trail as the walkers and we didn't see them again until we got back home again. - **The run was 6. something km**

#### The Walk

The walkers set off chasing the runners, up Sheehan Rd and across School Rd before coming out on Old Gympie Rd for the first of many re-groups. From there it was across Old Gympie Rd and down to Penson Park, through some more little back streets of Kallangur before coming out on Old Gympie Rd again at Lillybrook Shopping Center. Across Old Gympie Rd again, through some more back streets and parks and back home again. - **The walk was 4.96 km**

## The Circle

The GM was away again so Structure Fucker stood in as GM with Singapore Sling standing in as RA. Pounda was asked to give the run count with no notable runs this week.

There was one returnee this week being B1 who was back in from the west where he apparently got a few tractors bogged.

The Hare was called to the center to answer for crimes.

B1 was asked to give the run report – He said that it wasn't a bad run and that not much running had to be done to keep up with FIGJAM. He only got one false trail so it was not too bad. He gave it a score of **1 out of 10**

ET was asked to give the walk report – She said that it was a good walk, she followed people and saw two snakes, one dead one and one live one. She gave it a score of **-2 out of 10**

Heart Starter was asked to give the short walk report – She said that it was a lovely walk through her old stomping ground in Kallangur. They did a loop around the state school and walked 3.06 km. She gave it a score of **3.06 out of 10**

**Total of 2.06 out of 30**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Vampire and Smooth Ride were given a drink as Chunda outsourced the cooking for tonight's Kai.	Big Dick – Sherbet had this and was missing in action.
Killer – charged by Heart Starter for trying to be road kill out on the walk and crossing the road right in front of a motorbike.	Two Dicks – Jake the Peg has these and was missing in action.
Vampire – charged by Singapore Sling for questioning the authority of the RA.	Grub Shirt – Structure Fucker had this and gave it to ET for her funny little dance and squeal when a toad jumped across the path in front of her on the walk.
Cheesecake – charged by Pounda for trying to drown his dog on the weekend. Cheesecake left his pool gate open and Pounda's dog launched himself into the pool.	The Bone – Killer had this and didn't have anyone to give it to so he kept it for another week.
ET – charged by FIGJAM for trying to be like Prince Harry and Megan and do a professional separation by putting her chair down on the other side of the circle from Singapore Sling.	The Walking Stick – Flower had this and missing in action.
Smooth Ride had a present for our stand-in GM as our real GM hasn't been to Hash for a while.	The Dummy's – Overproof had these and gave them to Ryvita for whinging 200m from home that the walk was too long.
