## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2431

#### Hare – Tail

It was a Monday night and deep in the McDowall bushland amongst the bats, gathered a motley looking crew that called themselves Hashers. There were short ones and tall ones, thin ones and some that have clearly been hanging around the esky too much. There were even a couple of children playing quietly on the see saw, but more about that later. With the BOM threatening rain again, or was it the extra travel distance required to get deep into the McDowall bushland, we only managed to get 15 Hashers along, although they were enthusiastic Hashers. At least until the oppressive heat deep within the bushland stifled their enthusiasm and they were grateful for what turned out to be the shortest run/walk of the year.

At 6.33pm, quiet was called for and Tail gave the run/walk instructions. She said the runners on the left and walkers on the right and here we are stuck in the middle with you again. See what I did there. With that, the pack was off like a stale bottle of beer.

#### The Run

There were five runners tonight being FIGJAM, B1, Little Squirt, Strong As Shit and that cheeky little shit Chunda. They headed off on a slightly different route to the walkers before looping back and catching up again, before they looped off again and then caught back up with the walkers again, and this was the theme of the night for them. - **The run was 3.15 km**

#### The Walk

The walkers set off to the right and followed a loop around the bushland track before coming out into the streets behind, down the hill and looped around a creek before re-entering the bushland again. Back up another hill to Rode Rd for a right turn and back home again. - **The walk was 2.42 km**

## The Circle

The GM and RA were away again so Singapore Sling stood in as GM with Structure Fucker standing in as RA.

Pounda was asked to give the run count with no notable runs this week.

There was one returnee this week being Strong As Shit who apparently had better things to do, like a Red Dress Run.

The Hare was called to the center to receive what would end up being high praise for her indiscretions.

Chunda was asked to give the run report – He said that it short and hilly but it was good because he had a c\*\*t of a day and was too bugged to run any further. He gave it a score of **2 out of 10**

Bitta Relief was asked to give the walk report – She said that it was really hot with lots of trees, good arrows, good company but a bit short and she would have liked to go another km at least. She gave it a score of **1 out of 11**

Killer was asked to give the short walk report – He said that he didn't like the first hill and after he got to the top of it he decided that he had enough so he turned back and headed for home again. He gave it a score of **1 out of 10**

Ground Sheet was asked to give the security report – She said that it was very nice. She gave it a score of **1 out of 10**

**Total of 5 out of 41**

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Ground Sheet - charged by FIGJAM for not going for a walk but she couldn't even manage to do the very short trail that the Hare had laid down that had a start and home.	Big Dick – Sherbet had this and was missing in action.
Tail – charged by B1 for promising that there would be toilets at the park but then locking them up so they couldn't be used.	Two Dicks – Jake the Peg has these and was missing in action.
B1, Little Squirt and Strong As Shit – charged by Chunda for being the three young fuckers out on the run but did more walking than running.	Grub Shirt – ET had this and gave it to Little Squirt as he seemed to be missing his shirt.
Chunda – charged by B1 for being on his phone out on the run.	The Bone – Killer had this and gave it to B1 for not shutting up while the run instructions were being given.
ET and Tail – charged by FIGJAM for playing on the see saw and depriving the little kids the opportunity to have a go. Or were they the little kids.	The Walking Stick – Flower had this and gave it to Chunda for having a hard day at work.
Little Squirt – charged himself for still not having his licence.	The Dummy's – Ryvita had these but was missing in action.
Chunda – charged by Bitta Relief for leaving home to go to Hash but then having to turn around again because he forgot his wallet.	
All the walkers except for Pounda – charged by Structure Fucker for not waiting up at the re-group.
