## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2432

#### Hare – Xmas Run - FIGJAM

It was a rainy December afternoon and that time of the year again, where we all made the trip FIGJAM's place in Burpengary for the 2024 BNH3 Xmas Run/Walk.

The rain threatened to keep a lot of Hashers away but they still came out in force with 26 Hashers making the trek, some even managed to make it out on Friday as well.

Lunch was served up at about 12 to ensure that the hungry hoards were fed before venturing out on the run/walk.

At 2pm, quiet was called for and FIGJAM gave the run/walk instructions. He said due to the rain there was no trail set so we would have two live Hare's with the runners off to the left and walkers off to the right and with that we were off in search of the drink stop.

#### The Run

There were five runners tonight being FIGJAM, B1, Little Squirt, Strong As Shit and Chunda. They headed off on out the driveway to the left and weren't seen again until the drink stop.

- The run was ? km (this is because no one recorded it)

#### The Walk

The walkers set off to the right and followed Rivergum Drive down to Hauton Rd for a right turn and then down to Rowley Rd for another right turn and then off to the Peckerwood Tavern for drink or two. From there it was the quickest route back to FIGJAM's for some refreshments.

- The walk was 4.26 km

## The Circle

The GM was back and got the circle underway with Structure Fucker filling in as RA.

Pounda was asked to give the run count with no notable runs this week.

There was one returnee this week being Strong As Shit who apparently had better things to do, like a Red Dress Run.

The Hare was called to the center to pay for his crimes.

We had quite a few returnee's this week that there was too many to name. They were all brought forward though and given a drink.

We had a naming this week and Killer (his nickname from the surf club) due to an incident a few weeks ago will now be known as **Road Kill**.

B1 was asked to give the run report – He said that it was absolutely brilliant, only one hill although it was a big one and a drink stop as well. He gave it a score of **2 out of 10**

Corn Cob was asked to give the walk report – He said that it was just too wet although the drink stop was good. She gave it a score of **2 out of 11**

Killer was asked to give the short walk report – He said that he didn't like the rain and it was the first time he had seen a run with everybody having an umbrella. He gave it a score of **1 out of 10**

Tail was asked to give the security report – She said that they fended off all the invaders and that the neighbors are now moving out next week. The boat wasn't stolen and the dogs didn't fight (one of them was out on the walk though). She gave it a score of **.3 out of 10**

**Total of 5.3 out of 40**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Tail - charged by FIGJAM for breaking his best crystal wine glass.	Big Dick – Sherbet had this and was missing in action.
Cheesecake and Corn Cob – charged by Beat-a-Root for getting lost out on the walk and walking straight past FIGJAM's driveway.	Two Dicks – Jake the Peg has these and was missing in action.
Little Squirt tried to charge three of the Harriette's for wearing the same shirt but it was revered as it was a very lame charge.	Grub Shirt – Little Squirt had this and gave it to Pounda for telling him to keep his shirt on.
Flower – charged by FIGJAM for falling for his pull my finger trick.	The Bone – B1 had this but forgot that he had it and couldn't find it at short notice so was made to have a drink for his troubles.
Ground Sheet – charged by Tail for impersonating a safety officer. Smooth Ride and Strong As Shit had to join her for wearing their safety vests as well.	The Walking Stick – Chunda had this and gave it to Strong As Shit as she couldn't run up a little incline.
Little Squirt – charged by B1 for still not having his licence.	The Dummy's – Ryvita had these and gave them to Pounda for saying that she has dementia.
Overproof, Heart Starter and Cheesecake (proxy for Cup Cake) – charged by Pounda for having birthdays.	
Tail and Flower – charged by FIGJAM for arguing over fans and lights.	
Chunda – charged by Pounda for calling Road Kill by his old name of Killer.	

FIGJAM and Illegally Blonde – charged by Ten Fingers for not controlling their dogs and they got in a fight.	
Little Squirt – charged by FIGJAM for failing to use the port-a-loo and pissing on his garden bed instead.	
Dog – charged by Pounda for taking his empty beer can out of his cooler and then throwing his cooler into the bin. Dementia has arrived.	
Flower and Bitta Relief – charged by FIGJAM for not wanting to drink the beer that was brought at the pub, so they ordered top shelf drinks and put it on FIGJAM's tab.
