## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2433

#### Hare – Flower

It was a very rainy night as we gathered under the shelter at John Goss Reserve for as we all know the area would be a hilly run/walk. The rain looked like it kept a few Hashers away however our numbers were bolstered a bit by a few returning Hashers and we still managed to get 15 Hashers to make it for Flowers wet run.

At 6.31pm, quiet was called for and Flower gave the run/walk instructions. She said it was way too wet to set any trail and that we could go out for however long we wanted and find our own adventure. With that we were off.

#### The Run

There were four runners tonight being FIGJAM, B1, Strong As Shit and Chunda. They headed off down Kenna Street and weren't seen again. The reason for this was they decided to do a shorter run of around 3km and get back to the safety of the cover at the bucket. I think the walkers should have taken their lead.

- The run was 3.30 km

#### The Walk

The walkers (all three of them) set off on the path heading towards Kenna Street and were quickly passed by the runners. Down to the round-a-bout for a left turn and down the hill, across the creek and a right turn onto the walking path, we followed that to the end and then had to make a choice. Do we turn right and go down through the creek and get wet feet, or do we turn left and go up the steep hill. The steep hill won and we climbed it to Trouts Road for a right turn and then another right and back down the hill to cross over the creek over the walk bridge.

Over to Horn Road then a few lefts and rights before coming out on Maundrell Terrace to head back to John Goss Reserve and across the cricket oval to home. The elite athletes called walkers, ended up covering more distance than the slack arse runners.

**- The walk was 4.75 km**

**The Circle**

Surprise surprise, the GM was away again, so Structure Fucker got the circle underway with Sex Change filling in as RA.

Pounda was asked to give the run count with no notable runs this week.

There were three returnees this week being Sex Change, Rabbi and Raw Liver. Sex Change had been off having surgery while Rabbi and Raw Liver were tripping around the world.

The Hare was called to the center to face the music for her distinct lack of trail.

Strong As Shit was asked to give the run report – She said that they didn't get too wet and there were a lot of hills and that she ran up all of them. No score was given.

Bitta Relief was asked to give the walk report – She said that it was lovely, there were winding pathways and bridges and water crossings and a few hills and it was very long. No score was given

**Total of ? out of 20**

The circle was thrown open to Charges and Awards as below.

Charges	Awards
FIGJAM - charged by Pounda for getting the run number incorrect.	Big Dick – Sherbet had this and was missing in action. But she did pass it onto Structure Fucker to award for her. He passed it onto Little Squirt for being a big man so he needed a big dick.
FIGJAM tried to charge Pounda for a mistake in the Trash, but this was reversed as what is written in the Trash is gospel.	Two Dicks – Jake the Peg has these and was missing in action.
Strong As Shit was charged for using her phone in the circle for non-Hash business.	Grub Shirt – Pounda had this and didn't have it so had to have a drink for his trouble.
Pounda tried to have a charge but couldn't find his evidence so he took a drink for his trouble.	The Bone – B1 had this and gave it to Chunda for forgetting Road Kill's name and saying to him on Sunday 'morning Killer'.
Rabbi and Raw Liver – charged by Rabbi himself for arriving back in Oz in time for the Xmas party but then sleeping in from jetlag and missing the party.	The Walking Stick – Strong As Shit had this and gave it to Tail for not being able to stand up properly at the Xmas party after a few wines.
Little Squirt – charged by Structure Fucker for throwing Rabbi's walking stick out of the walk way.	The Dummy's – Pounda had these and didn't have them so had to have a drink for his troubles.
Little Squirt – charged by Pounda for not having his licence yet.	
Chunda – charged by Pounda for having dementia and sending Pounda a message if he wanted a lift to Hash or are you just going from work. Pounda is on leave.	
Little Squirt – charged by B1 for wearing a hat in the circle.	B1 was given a late drink as he said next week's run is at Killer's
