HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2435

Hare – Ten Fingers

Post Xmas and it was off to the GM's place to see how many plants could be relocated as his wife was away. Xmas season usually has a few Hasher's away, but we still managed to get 20 Hasher's along so they could walk of that Xmas pudding.

At 6.30pm, everyone was sent out the front for the run/walk instructions. The Hare said 'it's on chalk and it's that way'.

The Run

There were six runners for this run being FIGJAM, B1, Little Squirt, Strong As Shit, Weak As Piss and Chunda. They headed off out in front of the walkers and weren't seen again till the bucket.

- The run was 2.64 km

The Walk

The walkers set off after the runners trying to find trail as the rain had washed most of it out. Through the park, up a few little hills and worked our way back down to the creek where we lost trail and decided to head for home.

- The walk was 2.85 km

The Circle

The GM got the circle underway with Structure Fucker as the RA.

Flower was asked to give the run count with no notable runs this week.

There were a couple of returnee's this week being Champ and Weak As Piss.

The Hare was called to the center to face the music.

Little Squirt was asked to give the run report – He said where the fuck were the arrows as he couldn't find them and got lost twice. He was asked why he couldn't get lost a third time. He gave it a score of **10 out of 10**.

Pounda was asked to give the walk report – He said that we started off well on arrows even though they were very feint, and then we lost all arrows and decided to come home again. He gave it a score of **5 out of 10**.

Road Kill was asked to give the short cutters walk report – He said it was raining and he couldn't find any arrows as they had been washed out, so he came home instead. He gave it a score of **.5 out of 10**.

Heart Starter was asked to give the security report – She said that it was all quiet on the western front apart from the gang members that came into raid the garden with secateurs in hand. She gave it a score of **10 out of 10**.

Total of 25.5 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Structure Fucker - charged by B1 for losing his radio out on the run.	Big Dick – Ten Fingers had this and gave it to Pounda for a very untimely burp and for bringing the rain back from NSW with him.
Strong As Shit – charged by FIGJAM for showing off and running under the hooped bollards at speed showing how flexible she is.	Two Dicks – Heart Starter had these and gave them to Pounda for over achieving. After driving for 12 hours and getting home at 5.30pm he changed his shirt and came to Hash.
Ten Fingers - charged by Jake the Peg for blaming Hashers for getting into his plants when it was the caterpillars.	Grub Shirt – Pounda had this and gave it to Heart Starter as she has forgotten what sweat is like with being laid up with all of her surgeries.
Ten Fingers - charged by Strong As Shit for not wearing his GM's hat.	The Bone – Chunda had this and gave it to Champ for not bringing his running shoes.
Champ – charged by Chunda for forgetting his runners and having to go and buy some new runners and then wearing them to Hash.	The Walking Stick – Smooth Ride had this and gave it to FIGJAM for being an elder statesman.
Structure Fucker – charged by Pounda for the rain falling. When it rains the RA drinks.	The Dummy's – Pounda had these and gave them to Ten Fingers for having a dummy spit and accusing Pounda of bringing the rain back.
