HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2436

Hare – Tail & Jake the Peg

Happy New Year and welcome to 2025 and the first run of the year. We were off to Indooroopilly for what was anticipated to be the run of the year so far. It was good to see 17 brave Hashers make the trip to what most of us due to the distance would call it North West Sydney.

At 6.30pm, quiet was called for and Jake the Peg gave the run/walk instructions. He said that even though he tried to, he couldn't find any hills for us to go up (bullshit I say) and that trail would be on chalk and toilet paper.

The Run

There were four runners tonight being FIGJAM, B1, Strong As Shit (even though she was late) and Chunda. They headed off down the hill on the same trail as the walkers and weren't seen again till the bucket.

- The run was 5.57 km

The Walk

The walkers set off after the runners down the hill and under the motorway and up past the car yards before entering the forest and then climbing what was to be one of many hills of the night. Back down the other side and then a left turn only to climb another hill back up to the school. Across Moggill Road and up and down a few more hills before making our way out onto the bike path on the Brisbane River. Through the school carpark and one more climb back up Jerrang Street to home.

- The walk was 5.45 km

The Circle

The GM and RA were absent again so Singapore Sling as GM and Structure Fucker as the RA got the circle under way.

Pounda was back on duty and was asked to give the run count with a notable run this week with Tail notching up 350 walks.

There was a few returnee's this week being Singapore Sling and ET and Tails downstairs tenant Posh. The Hare's were called to the center to be executed for their shit excuse for a run.

Strong As Shit was asked to give the run report – She had turned up late and had to play catch up. She said there were three regroupes but none of the runners waited up at the regroupes so she had to run faster to catch up. She gave it a score of **4 out of 10**.

Posh was asked to give the walk report – He said that we came across some regroupes but none of the walkers had waited at the regroupes (same shit different day). Nice trail. He gave it a score of **9 out of 10**.

Sex Change was asked to give the short cutters walk report – He said it was a very pleasant meander and he came in on the arrows. He gave it a score of **1 out of 2**.

Total of 14 out of 22

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Jake was given a drink for telling a story about setting the run and cuming across 8 Chinese girls. Or something like that.	Big Dick – Pounda had this and gave it to Strong As Shit for saying that she had passed the back of the walking pack before any regroupes. Once again, don't challenge someone with CDO.
Chunda – charged by B1 for being hypocritical of B1 and doing something that he charged B1 for a while ago. Chunda went back looking for FIGJAM because he was worried about him.	Two Dicks – Pounda had these and gave them to Smooth Ride for arguing with someone that has CDO about being on trail when she had taken a short cut and missed the regroup.
Flower - charged by Jake the Peg for throwing a part of his roof rack in the bin.	Grub Shirt – Heart Starter had this and was missing in action.
Jake the Peg, Beat-a-Root, Flower and Sex Change were all given a drink as all of them were sporting injured knee's.	The Bone – Champ had this and asked Chunda to give it to Jake the Peg for being a bonehead and not accepting a lift.
Jake the Peg – charged by Singapore Sling for having a drink stop out on the run but leaving warm stale piss in it (see photos).	The Walking Stick – FIGJAM had this and gave it to Singapore Sling for his non combed hair and looking like a Merino sheep.
Tail – charged by FIGJAM for breaking two of his wine glasses at the Xmas party.	The Dummy's – Ten Fingers had these and was missing in action.
ET – charged by Bitta Relief for calling Smooth Ride Raw Liver. They look like twin sisters.	
B1 – charged by Tail for referring to Smooth Ride in the Hash Runs as Smoth Rider.	
Smooth Ride tried to charge Pounda for adjusting himself, this was quickly reversed though as Pounda is a male and male's do this regularly.	

Jake the Peg – charged by B1 for spitting beer all over the run sheet before the run.

Structure Fucker – charged by Tail for doing a 1440 point turn to get his ute into the front yard.
