HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2437

Hare's – FIGJAM, B1 & Little Squirt (Nudgee Beach Mud Run)

It was off to Nudgee Beach this week for the annual Nudgee Beach Mud Run held in unison with Brisbane Men's Hash. This usually draws a good crowd and this week was no exception with 43 Hasher's making the trek to enjoy some of Nudgee Beach's finest mud.

At 6.10pm, circle up was called and the Hare's gave the run/walk instructions. I didn't hear exactly what was said as I wasn't going anywhere due to a back injury so I didn't really care what was said anyway, but I'm sure it was informative.

The Run

From reports there were 13 Hasher's that braved the mud run including three Harriette's, two of them virgins (Bitta Relief & Ground Sheet) to the mud run experience. Strong As Shit was back for her second mud run after being a virgin last year and was once again bestowed the honor of carrying the blow up crocodile on the run. They all arrived back safely, very wet and a little bit muddy after crossing several creeks and swamps.

The Walk

The walkers set off on a completely different trail and judging by the Strava map, they managed to stay high and dry for the entire walk with only wet shoes from some puddles from the recent rains.

- The walk was 3.45 km

The Circle

The GM's from both Northside and Men's Hash got the circle underway with the hares being called into the middle to answer for their crimes. Then the RA's took over and many charges were awarded for various things.

Strong As was asked to give the run report – I can't remember exactly what was said but she seemed to enjoy the run and gave it a score of **4 out of 10**.

I can't remember who was asked to give the walk report or what was said, but I think it was given a score of **10 out of 10**.

Pounda was asked to give the security report – He said that it was bloody good because all you bastards disappeared. He gave it a score of **0 out of 10**.

Total of 14 out of 30

All BNH3 awards were held over for our next run.
