HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Hare's – Dog & Illegally Blonde Aussie Day Bash

With a long weekend for Aussie Day it was off to Woodford for the 2nd installment of Dog & Illegally Blonde's Aussie Day Bash. We had 39 Hashers, 5 dogs and 1 bird make the trip with most turning up on Friday to enjoy a dinner at the Woodford pub to kick the weekend off. Saturday morning and those who were keen made their way to the bushland rail trail at D'Aguilar for a park run of 5km. Everyone did well except for Pounda's little dog Maggie who had to be carried by Pounda for the last 2km (she is an old dog though).

With breakfast and lunch taken care of, 2pm rolled around and it was time for the official Hash run/walk. Dog said that it was on toilet paper and gyprock with a distance of almost 5km. Everyone ventured out except for a few that decided to seek refuge in the aircon instead of braving the heat of a 2pm run. Eventually everyone made it back safe and sound.

The Run

There runners were on the same trail as the walkers, they were just able to do it quicker. The trail did lead them straight past Chunda Bend, where Chunda had a little face plant adventure on the Friday night while walking back from the pub.

- The run was 4.8 km

The Walk

The walkers set off on the same trail as the runners however they got to enjoy the sights a bit as they did it at a slower pace. Everyone completed the walk except for three Harriette's who were seen

getting into a vehicle for the last 1.8km of the walk (they were charged for this indiscretion). Eventually everyone made it back home, even Rabbi who was kicked out of the said vehicle and made to walk back the last 1.8km.

- The walk was 4.8 km

The Circle

The GM was present and got the circle underway with Structure Fucker acting as the RA.

Pounda was asked to give the run count with no notable runs this week.

There were a few returnee's, some visitors and even a couple of Virgins.

The Hare's Dog and Illegally Blonde and their accomplice Pork Chop were called to the center to be crucified for the trail.

B1 was asked to give the run report – He said that we walked very quickly and decided to call it running. It was a brilliant run but the Hare's ran them straight past the pub and not into it. He gave it a score of **2 out of 10**.

Hooker was asked to give the walk report – She said that it freaking cruel. All those high rise houses that we walked behind with all the aircon coming out of the houses while we were out in the heat. She gave it a score of **11 out of 10**.

Cup Cake was asked to give the short cutters walk report – She said that it was fine however she couldn't find any trail. She gave it a score of **9 out of 10**.

Heart Starter was asked to give the security report – She said that there was nothing going on behind the backs of her eyelids and she had a very nice sleep. She gave it a score of **1 out of 10**.

Total of 23 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Cheesecake – charged by Pounda for having a birthday during the week.	Big Dick – B1 had this and didn't have it with him.
Chunda – charged by Pounda for deciding to walk back to Dog's from the pub after having many beers and taking a face plant in the grass and rolling into a ditch. The bend has now been named Chunda's Bend.	Two Dicks – Smooth Ride had these but forgot to bring them.
Flower, Tail and Bitta Relief - charged by Pounda for getting into a vehicle to finish the walk off. Flower even kicked Rabbi out of the vehicle, threw his walking stick at him and said walk ya bastard.	Grub Shirt – Heart Starter had this and forgot to bring it.
Bitta Relief and Vanderwho - charged by Pounda for almost starting world war three at the pub on Friday night over kid's ice cream.	The Bone – Jake the Peg had this and gave it to Beat-a-Root for sticking her finger into Jake's cup of tea to check the temperature of the water.
Chunda and Red Hot Chili Willy – charged by B1 for being seagulls and swooping in to pick the shit out of his meal at the pub before he could eat it.	The Walking Stick – Singapore Sling had this and forgot to bring it.
Red Hot Chili Willy and Robin Crusoe – charged by Flower for swooping in and claiming Flower and Tail's dinner at the pub and making them wait another half hour.	The Dummy's – Ten Fingers had these and forgot to bring them.

Little Squirt – charged by Growler for boasting about finding a massage parlor with a happy ending and then telling Growler about it in fine detail.	Rabbi tried to charge Dog but it was reversed as Rabbi incriminated himself. He had asked Dog to give him a call in the morning to remind him about the park run which Dog had done. Rabbi though had his phone on silent and couldn't receive the call.
Chunda – charged by FIGJAM for going looking for B1 at the pub but ended up chatting up a 3yo child instead.	Strong As Shit was given a bonus beer as she managed to reverse her car into the spot next to the shitters on the first attempt. She will however be getting a charge for taking out Dog's shed wall when she left on Sunday.
Growler and Louie for having new shoes. Growler had one new thong on because he blew out one and Louie was sporting dual band aids on the back of his feet from his new boots.	Little Squirt – charged by FIGJAM for turning up to a camping trip and forgetting his sleeping gear.
Pounda – charged by Growler for treating him like a puppet and sticking his hand up Growlers behind and pushing him up the hill on bike Hash.	Swing Low was performed for Pizza as he has gone up to Hash Heaven.
Pounda – charged by Cheesecake for setting the record of the slowest ever park run. The tailend sweeper even beat him home. Pounda did have to carry his little dog for the last 2km though.	Little Squirt – charged by Hooker for telling everyone that he had his first root on a park bench but then complaining that he had a sore back from it. He was obviously doing it wrong.
Everyone put their hands together for Beat-a-Root for organizing and doing all of the catering for the Aussie Day Bash.	

The circle was followed by a traditional Aussie game of backyard cricket that was enjoyed by all; even the neighbors jumped the fence and joined in.

The next morning a group of Hashers went off for a 30km bike ride before breakfast, just for something to do.

A great weekend was had by all.
