HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2440

Hare's – Little Squirt

With the long weekend over it was back to normality with a Monday night run. This week it was off to Bray Park for Little Squirt to lead us on an adventure. He must have taken pity on the pack as both the run and walk were shorter than normal, but no one seemed to mind too much. It was a big crowd of 24 Hasher's which was bloody good for a post weekend away run.

At 6.30pm, everyone was sent out the front where Little Squirt gave the run/walk instructions. He rabbled on about the trail being on the left except when it was on the right, blah blah blah. With that we set off.

The Run

There were four runners tonight being FIGJAM, B1, Jasmin and our little ditch monster Chunda. The runners went off on their own trail on up Samsonvale Road and weren't seen again for the rest of the trail and suddenly appeared back at the bucket before the walkers got back.

- The run was 3.56 km

The Walk

The walkers set off on a different trail up Baker street, left into a lane way and out to the back of Pine River Park, off through another laneway through to Dick Turnbull Park and up out to and across Samsonvale Road where we did a quick lap around the block before coming back out onto Samsonvale Road again where we crossed the road again and back home.

- The walk was 2.47 km

The Circle

The GM got the circle underway with Structure Fucker once again acting as the RA.

Pounda was asked to give the run count with no notable runs this week.

There were no returnee's this week but we did have one virgin. Blake who turned out to be a mate of Little Squirt's as he made him cum.

Little Squirt was called to the center as the Hare to be punished for his piss poor excuse for a run.

FIGJAM was asked to give the run report – He said that it wasn't too bad actually; well-marked and no big hills however there were a couple of new marks that had the runners baffled. He gave it a score of **1.5 out of 10**.

Vampire was asked to give the walk report – She said that it was extremely well marked, but just a little too short so she had to go around the block again to get her steps up. She gave it a score of **3 out of 10**.

Rabbi was asked to give the short cutters walk report – He said that he left on chalk, found the runners trail and then all of a sudden the walkers appeared so he followed them back. He gave it a score of **3 out of 10**.

Heart Starter was asked to give the security report – She said that it was cool, it was wet her and Ground Sheet had a good time, then they decided to go for a swim together and got wet again. She gave it a score of **.5 out of 10**.

Total of 8 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Rabbi – charged by FIGJAM for front running and getting in front of the walkers.	Big Dick – B1 had this and gave it to Chunda for losing something long and brown at breakfast on Sunday so he can have the big dick which is long and brown.
Jasmin – charged by Chunda for being an FRB and being out the front for most of the run before having a blow out and dying in the arse.	Two Dicks – Smooth Ride had these and gave them to Rabbi for saying that he never apologizes and or admits fault.
Flower, Overproof, Tight Arse and Bitta Relief - charged by Rabbi for being geographically challenged by getting lost on the way to Hash.	Grub Shirt – Heart Starter had this and outsourced the sweating and then gave it to Structure Fucker for not telling us that he had another daughter who drives just like him.
Structure Fucker and Little Squirt - charged by Pounda for being involved in an incident between a shed and Strong As Shit. Little Squirt has been giving her driving tips and Structure Fucker didn't tell us he had a daughter.	The Bone – Jake the Peg had this and gave it to Beat-a-Root for sticking her finger into Jake's cup of tea to check the temperature of the water.
Heart Starter – charged by FIGJAM for calling herself a cane toad. Turns out her grandfather introduced cane toad's to Qld.	The Walking Stick – Singapore Sling had this and decided to keep it for another week.
Chunda produced some lost property from the Aussie Day weekend being a pair of running shoes. Please see Chunda to get these back.	The Dummy's – Ten Fingers had these and gave them to Vampire for arguing with Ryvita about how to get to Bray Park.
