## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2441

#### Hare – Cheesecake

It was off to Kallangur Heights this week for another edition of the “It’s not a pie run” by Cheesecake. A few dark clouds lingered around and the skies opened up for a brief shower just before the run, but that didn’t deter the 24 Hasher’s that turned up to enjoy the hills of Kallangur.

At 6.30pm, everyone was sent out the front where Cheesecake gave the run/walk instructions. He said that it was on chalk with a few extra loops for the runners. He also said that there were re-groups for the walkers as well and for all the walkers to ensure that they stopped at the re-groups to keep everyone together. With that we set off to find trail.

#### The Run

There were five runners tonight being FIGJAM, B1, Jasmin, Little Squirt and Chunda. The runners were on the same trail as the walkers, although with a few extra loops to keep them honest ensuring that they would catch up to the walkers only to be sent off on another loop before catching back up again.

- The run was around 6 km

#### The Walk

The walkers set off on the same trail as the runners only to find themselves in front at times as the runners went off on loops. Out on to Sheaves Rd and up the Whitehorse Rd before crossing over and through the back streets to pop at the Woolies at Dakabin. Down Alma Rd for a right turn into mor back streets before coming back out and across Alma Rd and up the hills towards Whitehorse Rd again, on over and headed for home. - The walk was 4.35 km

## The Circle

The GM got the circle underway with Singapore Sling standing in as RA.

Pounda was asked to give the run count with no notable runs this week.

There were no returnee's this week, no visitors and no virgins.

Cheesecake was called to the middle as the Hare to answer for himself about the quality of his run.

Jasmin was asked to give the run report – She said that it was pretty good although there were a few hills which was kind of tragic and a few loops as well. She gave it a score of **3 out of 10**.

Ryvita was asked to give the walk report – She said that it was an excellent walk and she enjoyed it very much. She gave it a score of **4 out of 10**.

Rabbi was asked to give the short cutters walk report – He said that he left with everyone else and was told that when he got to Whitehorse Rd to turn left. Cheesecake must have thought that Rabbi had Alzheimers though because he wrote Rabbi on the ground with an arrow in chalk so there was no confusion. He gave it a score of **10 out of 10**.

Heart Starter was asked to give the security report – She said that it was warm and wet (two weeks in a row) and her and Ground Sheet had a good time again, then they decided to go for a swim together and got wet again. Then her and Beat-a-Root had a good time with Beat-a-Root putting her hands down Heart Starter's pants to help her get her tights on. Bloody hell these Harriette's get up to no good. She gave it a score of **2.5 out of 10**.

**Total of 19.5 out of 40**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
FIGJAM – charged by Rabbi for trying to confuse him by telling him he was on the wrong trail.	Big Dick – Chunda had this and gave it to B1 for trying to steal his thunder by putting can pulls everywhere.
Rabbi – charged by FIGJAM for finally following trail after finding his own name written on the trail. We have been putting just an R down for him but he has never followed it.	Two Dicks – Rabbi had these and forgot to bring them as he had to place a hat over them on the bench in case the neighbors seen them. He decided that he would award them to Raw Liver for making him forget them.
ET and Singapore Sling - charged by Cheesecake for secret Hash training on Sunday. They were caught out on a walk through Scarborough wearing Hash gear.	Grub Shirt – Structure Fucker has this but was missing in action.
Heart Starter - charged by Pounda for saying that she was only going to do a short ride on Sunday, but then riding an extra 25km with the promise of a free coffee.	The Bone – Beat-a-Root had this and decided to hold onto it for a bit longer.
Chunda & Little Squirt – charged by B1 for trying to catch a good looking young lady out on the run buy then realizing they had no chance.	The Walking Stick – Singapore Sling had this and gave it to ET as she is about to be a blind fuck again with eye surgery and might need help walking.
Little Squirt – charged by FIGJAM for seeing a mark on the ground and then ignoring it to follow the other runners that were lost.	The Dummy's – Vampire has these but was missing in action.
Ryvita – charged by Corn Cob for doing rabbit ears to him in a photo at a funeral.
