HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Hare – Chunda

A short trip this week, down the hill from last week's venue at Kallangur Heights to Kallangur and back to Chunda's place. With no clouds in the sky and a bright full moon, the Hashers came from afar to experience another Chunda challenge with 20 Hasher's making the trips including a couple of new Hasher's.

At 6.30pm, everyone was sent out the front and as the Hare was out setting the trail, Cheesecake gave the run/walk instructions. He said that it was on yellow chalk and with no idea where it was going to go and find trail. With trail found to the East we headed towards ANZAC Ave.

The Run

There were five runners tonight being FIGJAM, B1, Jasmin, Little Squirt and a new runner in Will. The runners set off blazing a trail and trying to catch the Hare. Off over ANZAC Ave, through the shopping center carpark and headed toward the train station and weren't seen again until back at the bucket.

- The run was 5.59 km

The Walk

The walkers set off on the same trail as the runners, left onto ANZAC Ave where we crossed over and through the shopping center and pub carpark and out onto Duffield Rd and down to Kallangur train station. Across Gallipoli Way and into the back streets of Murrumba Downs where we got abused by a local resident after taking a false trail up an alley way. Back through some more back streets to the bike path beside the railway line, back up Duffield Rd and headed for home.

- The walk was 4.35 km

The Circle

The GM got the circle underway with Singapore Sling standing in as RA again.

Pounda was asked to give the run count with no notable runs this week.

There was one returnee's this week and two virgins. Road Kill has been off on a cruise and we welcomed Lisa and Will (a mate of B1) for their first run.

Chunda was called to the middle to face the music.

Will was asked to give the run report – He said that his poor ethnic eyes couldn't see the yellow chalk, but other than that it was good. He gave it a score of **2 out of 10**.

Smooth Ride was asked to give the walk report – She said that we went one foot after the other searching for arrows that were hard to see. It was rather interesting the swearing and abuse we got down at Murrumba Downs. She gave it a score of **9 out of 10**.

Ground Sheet was asked to give the security report – She said that it was very quiet with no one here however she didn't have a chance to get wet this week as her partner in crime was away. She gave it a score of **1 out of 10**.

Total of 12 out of 30

The circle was thrown open to Charges and Awards as below.
