## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2444

#### Hare – Smooth Ride

We ventured off down the Deagon Deviation this week to Sandgate where we were met by cyclonic winds coming off Moreton Bay. With no threat of rain (probably because of the wind), 22 Hashers turned up for a Smooth Ride trail that produced a good indication of just how long or short the Houghton Highway is at just 2.74km and being one of Australia's shortest Highway's and the second shortest in Qld (the Bradfield Highway is the shortest in Qld at just 1.6km).

At 6.30pm, quiet was called for and Smooth Ride gave the run/walk instructions. She said it was set on chalk and it was over towards the bridge. With that the pack set off chasing the trail.

#### The Run

There were six runners this week being FIGJAM, B1, Jasmin, Chunda, Little Squirt and Strong As Shit making a return. The runners set off blazing across the bridge on the same trail as the walkers but just a lot longer. They eventually did a U-turn and headed for home again chasing down most of the walkers on the way.

- The run was 7.56 km

#### The Walk

The walkers set off chasing the runners across the bridge and then did a U-turn  $\frac{3}{4}$  the way across and headed for home again. A few decided to go a little further before turning around just to get the distance up a bit. It is surprising when you walk across the bridge just how far it seems. All but a few walkers managed to beat the runners back.

- The walk was 5.36 km

## The Circle

The GM was the last to arrive back home and eventually got the circle underway after having a drink (see how to do it Ten Fingers) with Singapore Sling once again standing in as RA.

Pounda was asked to give the run count with no notable runs this week.

There were a two returnee's this week being Strong As Shit and Bitta Relief. They were given a drink for their trouble.

Smooth Ride was then called to the center to answer for her crimes.

Strong As Shit was asked to give the run report – She said that it was very long, they ran a straight line and she loves being able to see 2km in front of her. They got across the bridge and they thought that the trail would turn around and come back, but no it kept going. Other than that it was great. She gave it a score of **5 out of 10**.

Pounda was asked to give the walk report – He said that he was disappointed and confused (which is not hard really). He was disappointed because we were sent across the bridge with no protection from the wind which caused Pounda's hair to be blown to one side, it was redeemed though when we turned around to come back which fixed up Pounda's hair problem (or did it). The confusion was created when markings were seen on the bridge of arrows going both ways causing a bit of confusion on which way to go. He gave it a score of **9 out of 10**.

Heart Starter was asked to give the security report – She said that it was shit. She didn't give it a score.

**Total of 14 out of 20**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Jasmine, B1 and Little Squirt – charged by Bitta Relief. =It appears that the 3 young ones were leaning/sitting on the BBQ instead of standing up in the circle.	Big Dick – Little Squirt had this and gave it to B1 for something about a boost button in his car.
Little Squirt – charged by FIGJAM for stuffing up his driving test booking and booking it for the wrong month.	Two Dicks – B1 had these and gave them to Little Squirt for accusing everyone for stealing his drink at Chunda's Hash.
Tight Arse - charged by Jake the Peg for joining a cognitive decline study. Let's all hope he makes it to the end of the 12 year study.	Grub Shirt – Structure Fucker has this but was missing in action.
Ten Fingers – charged by B1, returning his lost property being a book on Thailand that even tells you where the gay bars are.	The Bone – Beat-a-Root had this and Pounda gave it to Strong As Shit because bones are strong, unlike Dog's shed.
	The Walking Stick – Flower had this and gave it to Singapore Sling to add to his two walking sticks he already has.
	The Dummy's – Overproof had these and gave them to Ten Fingers for complaining about Ryvita throwing fish back in the water.
