HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2445 – 2025 A.G.P.U.

Hare – FIGJAM

It was that time of the year again for everyone to gather for the AGPU, to kick out the old committee and welcome in the new committee. We ventured off to Burpengary to FIGJAM's for another FIGJAM special and he didn't disappoint. It was a good turnout with 22 Hashers making the trip to FIGJAM's, with 15 Hasher's deciding to camp out overnight.

Lunch was served up at 12pm with everyone making sure they had a good feed before venturing out on the run/walk.

2pm came around and quiet was called for so FIGJAM could give the run/walk instructions. He said it was set on chalk and that the walkers had a longer trail than the runners. He said that it was a 4.9km walk and a 4.3km run. As it turns out this wasn't too far off, what he forgot to mention though was that this distance was only to get to the drink stop at the Peckerwood Pub.

The Run

There were six runners this week and three walkers that did the run trail. They set off to the left up to Rowley Rd where they took a right and then a left and headed down through some bushland and shiggy. Through some more back roads and parkways before coming back out onto Rowley Rd and headed for the pub for a drink stop. From there it was off back home by the shortest route available.

- The run was 6.47 km

The Walk

The walkers set off chasing the runners up Rivergum Drive to Rowley Rd where they took a right and up to Oakey Flat Rd. A left turn and then up to Facer Rd for another left turn and then followed Facer

Rd all the way to Rowley Rd and the pub for a drink stop. From there it was chasing the runners back home again. Everyone managed to get back home before the rain hit, all except for four Hashers that stayed behind at the pub for a little longer.

- **The walk was 6.6 km**

The Circle

The GM got his circle underway for the last time with Singapore Sling once again standing in as RA.

Pounda was asked to give the run count with no notable runs this week. Although there was uproar over one of the count numbers, with the correct number being verified shortly after. Pounda was then given a drink for his indiscretion.

There were a few returnee's this week being B-, Structure Fucker, Dog and Illegally Blonde. They were given a drink for their trouble.

Smooth Ride was then called to the center to answer for her crimes.

Strong As Shit was asked to give the run report – She said that it was great with a lot of up and down hill and through some bush which she thought was great because everyone likes a bit of bush. And being daytime they could actually see where they were going. She gave it a score of **2 out of 10**.

Bitta Relief was asked to give the walk report – She said that it was long, it was hot and it was flat. It was really hot and boring. She said the drink stop was the best part where she just made it to the loo in time. She gave it a score of **10 out of 10**.

Illegally Blonde was asked to give the pub crawlers report – She said that they crawled all the way up to the T intersection and up the hill before eventually making their way to the pub. She gave it a score of **4 out of 10**.

Flower was asked to give the security report – She said that the main stay was Sarge, who slept on the couch until there was some food brought out and then he was up and about. A few of them had a nanna nap which didn't provide much security at all. She gave it a score of **10 out of 10**.

Total of 26 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Chunda gave a bonus beer to all the runners as it was the biggest running pack that we have had in years.	Big Dick – B1 had this and gave it to Flower for writing a song for B1 about getting extra treatment in the Navy, so he gave her the big dick so she could feel the same.
Chunda – charged by FIGJAM for doing an impersonation of Pounda after being mistakenly called Pounda so many times.	Two Dicks – Little Squirt had these but forgot to bring them so he was given a drink for his trouble.
Pounda - charged by Structure Fucker for saying that his Bunnings hat wouldn't fall of his head in the wind. Halfway through the walk Pounda had to go running back down the hill to chase his hat that the wind blew off.	Grub Shirt – Structure Fucker had this and gave it to Strong As Shit for her smart arse comment as he was about to take the shirt off.
Little Squirt, Bitta Relief and Dog – charged by B1 for wearing a hat in the circle and not wearing shoes.	The Bone – Strong As Shit had this and gave it to Pounda for being a bonehead and getting ET's run number wrong.
Flower – charged by FIGJAM for being a blind fuck at the pub on the Friday night. She was awarded the Blind Fuck Stick back for her trouble.	The Walking Stick – Singapore Sling had this and gave it to Flower for having dodgy knees and not being able to go for a walk.

Little Squirt – charged by B1 for running through the lantana and getting stuck.	The Dummy's – Ten Fingers had these and gave them to ET for complaining about her run count.
Pounda – charged by Jake the Peg for allegedly hit another yellow bollard with an Army vehicle.	
Pounda, Structure Fucker and Corn Cob – charge by Ten Fingers for almost being road kill on the way back from the pub.	The Harey Hussey Award (the Hasher who has Hared the most runs) was given to FIGJAM for racking up five runs as Hare.
Bitta Relief – charged by FIGJAM for something about not wanting a condom.	The Shiggy Award (Hare of the wettest run of the year) was given to Chunda, where we went around the block and still managed to get two Hashers lost.
Smooth Ride – charged by Pounda for having a birthday.	The BaaBra Award (for best or worst joke) was given to Little squirt for many jokes that should never have been even thought about being told let alone actually telling them at Hash. Of note that this award was hotly contested by Little squirt and Ten Fingers, with Little Squirt getting the win.
B1 – charged by Jake the Peg for joining the Navy shortly and was given a little Navy song by Flower.	Singapore Sling then introduced a new award and gave it to Ten Fingers. I don't know what it was called but he was given a walking frame for his troubles.

The circle was then paused for a while before being reconvened to kick the old committee out. The GM thanked his committee for all the hard work they have done throughout the year.

Pounda gave a Hash Cash report to let everyone know the currently financial status of the club.

Yearly awards were given out as above.

The old committee was then sacked and the new committee was welcomed in as below.

GM – Structure Fucker
RA – Cheesecake
Grasshopper (trainee RA) – Strong As Shit
Hash Booze - Chunda
Hash Cats Piss – Ground Sheet
Hash Cash – Pounda (with Flower taking over at the end of 2025)
Trail Master/Hare Raiser – Little Squirt
Hash Scribe – Pounda
Song Mistress – Heart Starter
Hash Nerd - Pounda
Hash Flash – Little Squirt
Hash Recycler – Corn Cob
Hash Haberdash - Tail

The first business of the new committee was for the RA to perform a naming. Jasmine was called forward and will now forever be known as Torque Wench, for her ability to tighten B1's nuts to the original manufactures specifications.

Beat-a-Root and Tail were given a song as a thanks for providing the food for this years AGPU.
