HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2446

Hare – Bitta Relief

The first run of Structure Fucker's reign and it was off to Bitta Relief's abode at Gaythorne. The rain threatened to open up but then it cleared up, forcing the Hare to actually go out and set a run. She even sub-contracted Jake the Peg into helping set it. With that we still managed to get 18 Hashers to make the trip, to enjoy the sounds of trains through Gaythorne.

6.30pm came and everyone was sent out the front for Bitta Relief to give the run/walk instructions. I don't know exactly what was said as I was late getting down the stairs, but I think it as something about being on chalk and toilet paper. With that we were off towards the sports fields.

The Run

There were six runners this week being FIFJAM, B1, Torque Wench, Strong As Shit, Little Squirt and Chunda. They were set off on the same trail as the runners with a few extra loops for good measure, including the trail heading up around Anaconda.

- The run was 6.45 km

The Walk

The walkers set off on the same trail as the runners, down to the sporting fields, around the oval to pick up trail again and head down to the Kedron Brook for a little shiggy across the creek. On the other side of the creek was where we left the runners as they went right and we went left. We didn't end up seeing the runners again until just before the second creek crossing near home.

- The walk was 6.6 km

The Circle

The new GM got the circle underway and as his new RA wasn't there, he was assisted by our new Grasshopper Strong As Shit standing in as RA.

Pounda was asked to give the run count with no notable runs this week.

There was one returnee this week being Christopher Cum Semen (CCS). He said that he was on extended holiday leave.

Bitta Relief and Jake the Peg were then invited to the middle to be dually punished for their crimes.

Torque Wench was asked to give the run report – She said that it was nice and grassy and the hills weren't too bad so that was appreciated. They got a little wet crossing the creek and a little bit lost but otherwise it was good. She gave it a score of **1.3 out of 10**.

Smooth Ride was asked to give the walk report – She said that it was dark, wet and sludgy and the long grass had Jake the Peg written all over it. She gave it a score of **2 out of 10**.

Structure Fucker gave the letter box report – He said that he went up the hill and started walking down the other side but then thought better of it. He gave it a score of **5 out of 10**.

Flower was asked to give the security report – She said that security was very entertaining, they heard cooking, they saw cooking, they also smelt cooking and there was good company. She gave it a score of **10 out of 10**.

Total of 18.3 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Structure Fucker – charged by Ground Sheet for complaining at the AGPU that she was crushing the cans and they wouldn't take them at the recycle center. Hash Recycler got \$17.60 for crushed cans.	Big Dick – Flower had this and gave it to Tail for her alarm on her phone going off in the circle.
Ground Sheet was then charged as she didn't ask the RA for permission to charge the GM.	Two Dicks – Little Squirt had these and gave them to FIGJAM for almost running into the back of a hippo.
Strong As Shit - charged by B1 for losing her shoes at the AGPU and was then the recipient of returned lost property.	Grub Shirt – Strong as Shit had this and gave it to Jake the Peg for jumping out of his skin when she grabbed his leg when going across the bridge.
Strong As Shit, B1 and Torque Wench – charged by Jake the Peg for being bridge trolls when they came across the last bridge.	The Bone – Pounda had this and gave it to Ground Sheet so she could whack Little Squirt for playing up before Hash.
Pounda – charged by FIGJAM for not having his clearance light on while coming across the park causing him to almost run into the back of Pounda.	The Walking Stick – Flower had this and gave it to FIGJAM so he could use the horn on it to warn the hippo he was coming.
FIGJAM – charged by Pounda for not looking where he is running and almost running into the back of him.	The Dummy's – ET had these and gave them to FIGJAM just so he could have another award.
FIGJAM – charged by Jake the Peg for accusing him of setting the trail in the car.	
A few jokes were told and we are 100% behind the decision to give Little Squirt the award for worst joke of the year.
