HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2447

Hare – Strong As Shit

A bit of a strange week this week as the run was moved to Wednesday to accommodate Cyclone Alfred and all the rain it brought. It was the cyclone that didn't know what it was doing. It's a bit like a woman shopping actually. Eventually we made it to Northgate for another Strong As Shit special. The rain managed to finally clear up and allowed to have a rain free run with 18 Hashers making the special Wednesday night trip.

At ~~6.30pm~~ 6.31pm 6.32pm, quiet was called for and Strong As Shit gave the run/walk instructions. She said that she had set the trail on Tuesday and she didn't think that it rained so she hoped the trail would still be there. She said the walk was about 4km and the run about 5km and the trail was on the footpath. With that the pack set off like a herd of startled wilder beast searching for a nice shady spot to have a little nap.

The Run

There were six runners this week being FIGJAM, B1, Torque Wench, Little Squirt, Chunda and Tinkerbelle visiting from Men's Hash. They set off blazing a trail in front of the walkers before they were sent off on a long loop which then put them behind the walkers. They caught up briefly before going off on another loop and causing them to play catch up again, eventually catching the last of the walkers just before the finish.

- The run was 8.06 km

The Walk

The walkers set chasing the runners through some back streets before coming out to Sandgate Rd and crossing over. Up Royal St, where they then took a right where the runners took a left and then headed for the pathway beside Downfall Creek, along the pathway and under Sandgate Rd again. From there it was up through the park and through some more back streets before coming out on Toombul Rd, where they headed towards Northgate Rd, across the railway line, a right turn and then headed for home.

- **The walk was 4.97 km**

The Circle

The GM got the circle underway and with his RA being away for the second week in a row, he was assisted by our Grasshopper Strong As Shit standing in as RA again.

Pounda was asked to give the run count with no notable runs this week.

There was one returnee this week being Road Kill and a visitor being Tinkerbell.

We had a virgin this week being Jenny (mother of Torque Wench). Torque Wench has been going home from Hash each week very happy, so Jenny thought she would come along to Hash to see what was going on.

Strong as Shit was then called to the middle to receive her punishment for her crimes.

FIGJAM was asked to give the run report – He said that it there 3km of arrows out for an 8km run. A few arrows were a bit confusing. A little bit of new territory, but overall not too bad. He gave it a score of **2.5 out of 10**.

Tail was asked to give the walk report – She said nomnomnomnom. She gave it a score of **1 out of 10**.

Little Squirt gave the short cutting runners report – He said that the arrows were so far in between and when he decided to take a short cut he then had to do a check himself. That's what you get for short cutting. He gave it a score of **2.5 out of 10**.

Flower was asked to give the security report – She said that security was splendid. She gave it a score of **3.5 out of 10**.

Total of 9.5 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Corn Cob was called forward as he had a birthday on the weekend right in the middle of a cyclone.	Big Dick – Tail had this and gave it to Strong As Shit for saying that Tail had her dick out.
Torque Wench – charged by B1 as she lost a hub cap on her car, this was the story behind her getting named. B1 found a hub cap out on the run and presented it to her.	Two Dicks – FIGJAM had these and gave them to Ground Sheet as she only gave Corn Cob one for his birthday when he deserved two.
B1 - charged by Little Squirt for taking an eternity to send him the run sheet.	Grub Shirt – Jake the Peg had this but was missing in action.
Chunda – charged by Torque Wench for trying to recruit random runners in the dark out on the run. He thought it was Little Squirt. Pounda had to join him as when one Chunda drinks, all Pounda's drink.	The Bone – Ground Sheet had this and gave it to Corn Cob for trying to use his chainsaw with no oil in it. A bit of lube works wonders.
Pounda – charged by Corn Cob for yet another Army vehicle accident. Chunda had to join him.	The Walking Stick – FIGJAM had this and decided to keep it for another week.

Structure Fucker and Pounda – charged by FIGJAM for not running in the Run Army fun run. Once again Chunda had to join Pounda.	The Dummy's – FIGJAM had these and gave them to Ground Sheet for bitching about Corn Cob's chainsaw.
Chunda – charged by Pounda for being Captain Obvious. Chunda texted Pounda when Pounda was in his driveway to say "Ur here".	
Tinkerbell – charged by Chunda for not shutting up out on the run. He must like the sound of his own voice.	
B1 then told a joke that wasn't too bad.
