## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2448

#### Hare – Pounda

Back to Lawnton this week for what was billed to be the run of the year. And boy what a cracker it was. It even managed to get Abbo out of Hash retirement. Pounda did his best to keep the rain away and ensure that it was a dry run, and in doing so managed to entice 18 Hashers to make the trip to enjoy a fantastic run and some great Kai cooked up by Beat-a-Root.

At 6.30pm, quiet was called for and Pounda gave the run/walk instructions. He said that the trail was on the left except for when it was on the right, it was all on chalk and that he would use some reverse psychology by saying that the walk was 7km and the run was 9km. On to the left to find some trail.

#### The Run

There were only three runners this week being FIGJAM, Little Squirt and Chunda. They set off on the same trail as the walkers to start with but were then very quickly sent off on their own trail where they endured some false trails, shiggy, stairs and hills before getting another false trail to then join back up with the walkers trail. Then another scoot off on their own to then rejoin the walkers again before scooting off again on a different trail, before meeting back up with the walkers for the last 500m back to home again.

- The run was 6.86 km

## The Walk

The walkers set off to Todds Rd where they turned right and headed down Todds Rd to cross the creek before going through an ally down into an estate and then climbing up the hill and back out to Todds Rd again. From there it was down through the back streets of Lawnton to Francis Rd where they then did a lap around the sporting fields before coming back out onto Francis Rd again and headed for home.

- **The walk was 4.61 km**

## The Circle

The GM got the circle underway and for the first time in his sort reign, the RA was actually present.

Pounda was asked to give the run count with Ground Sheet clocking up 50 runs. I think she has only been out for a walk on three of those though.

There was a few returnee's this week being Heart Starter, Cheesecake and Abbo, who is one of Northside's life members with 1330 runs but hasn't been for three years.

Pounda was then called to the middle to be praised for his exceptional trail setting skills.

Chunda was asked to give the run report – He said that it was a fucking great run and he enjoyed every bit of it. The best part was when they ran into Corn Cob where he told them that there was a false trail but they didn't believe him and went on it anyway. When they turned around and came back, Corn Cob was nowhere to be seen because he took a wrong turn. He gave it a score of **1 out of 10**.

Abbo was asked to give the walk report – He said it was the best walk that he has done for the last three years. She gave it a score of **3.5 out of 10**.

Ground Sheet was asked to give the security report – We don't know what she actually said because she was too busy trying to kiss Heart Starter on the cheek. She gave it a score of **3 out of 10**.

**Total of 7.5 out of 30**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Little Squirt – charged by Chunda for doing a check that Chunda was already checking.	Big Dick – Strong As Shit had this but was too busy using it to come to Hash.
Heart Starter and Ground Sheet – charged by FIGJAM for pointing in the circle.	Two Dicks – Ground Sheet had these and was made to keep them.
Corn Cob - charged by Ground Sheet for not wearing green on St Paddy's day. This was reversed as he had green jocks on.	Grubb Shirt – Jake the Peg had this but was missing in action.
Little Squirt – charged by Pounda for getting his licence and not letting Pounda know after Pounda fixed his car so he could use it to go and get his licence.	The Bone – Corn Cob had this and gave it to Ground Sheet so she could have something hard to play with.
Chunda and Cheesecake were given a drink as it was Chunda's mum's 80 <sup>th</sup> birthday on Saturday and it was Cheesecake's dad's 90 <sup>th</sup> birthday on Monday.	The Walking Stick – FIGJAM had this and gave it to Corn Cob for helping the old fellas out on the run.
Heart Starter announced that she became a grandma again on Saturday for the 9 <sup>th</sup> time.	The Dummy's – Ground Sheet had these and was made to keep them.
Pounda then told a cracker of a joke to finished the circle off.
