HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Hare – Tight Arse

It was time to pack a lunch this week and make the trip out to East Toowoomba (I mean Dayboro) for another Tight Arse adventure around the hills of Dayboro. With the rain threatening all day and delivering a few times, Tight Arse had to go out 3 times to set the trail. This didn't deter any Hashers though with 20 Hashers making the trip, which is a bloody good attendance considering we have quite a few Hashers away at Nash Hash.

At 6.30pm, quiet was called for and Tight Arse gave the run/walk instructions. He said to go out the driveway and turn left and then go up the hill where you will find the first bit of trail. He even offered to drive the lazy Hasher's up the hill if they wanted to. We then had to wait a minute as someone let the dogs out, oh and Dog got out as well.

The Run

There were six runners this week being FIGJAM, B1, Torque Wench, Jenny, Little Squirt and Chunda. Even Dog and Tika decided to complete the runners trail. They set off on the trail ensuring that they marked off the trail for the walkers that followed. The walkers were on the same trail, right up until just after the footy fields, where the runners were then sent off on an extra loop before rejoining the walkers again on McKenzie St, just before the last turn back into Homestead Ct and back home again.

- The run was 7.65 km

The Walk

The walkers set off following the runners around Dayboro, up the steep hill of Homestead Ct, right onto McKenzie St and down to the school where we crossed the road and down the pathway and through to the tennis courts, out onto Dayboro Rd and then left onto Mt Meer d and up to the showgrounds. Through the showgrounds and onto the rugby fields where we then went down the hill to the pathway and out onto Edmonds Ct where we turned left and headed up the hill towards home. Across McKenzie St and back down the hill on Homestead Ct and back home again.

- **The walk was 4.89 km**

The Circle

The GM got the circle underway and for the second week in a row we had the RA present.

Pounda was asked to give the run count with Torque Wench hitting double figures with 10 runs. Only 1148 more runs to catch Chunda.

There was a few returnee's this week being Overproof, Ten Fingers, Dog and Illegally Blonde. Overproof said that the cyclone kept him away. Dog and Illegally Blonde said that they couldn't be bothered to come and Ten Fingers said that he tried to discover if there was life other than Hash, then he realized his error and came back to Hash again.

Tight Arse was then called to the middle to be punished for his crimes.

Dog was asked to give the run report – He said that it was actually pretty good, he had some good company, it was well set out and he didn't miss any trail and the Hare done a really good job. He gave it a score of **-3 out of 10**.

Cheesecake was asked to give the walk report – He said it was well set and well-marked and pretty much the same walk we usually do but just in the opposite direction. He gave it a score of **-1 out of 10**.

Ten Fingers was asked to give the short cutters walk report – He said it was average, average, average. He gave it a score of **4 out of 10**.

Ground Sheet was asked to give the security report – She said that it was very nice, the dogs were well behaved and she got to see some snakes (pictures anyway). She gave it a score of **1 out of 10**.

Total of 1 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Chunda – charged by Dog as he needs to get his Hash navigation skills recalibrated as he got every check wrong.	Big Dick – Strong As Shit had this but was too busy using it to come to Hash.
Ten Fingers – charged by B1 for flattening out Tight Arse's toupee.	Two Dicks – Ground Sheet had these and gave them to Torque Wench for not turning up last week to see Little Squirt with his P plate.
Tight Arse - charged by FIGJAM for leading the runners past two pubs and not into them.	Grubb Shirt – Jake the Peg had this but was missing in action.
Ten Fingers tried to charge the RA but it was reversed for being a shit charge.	The Bone – Ground Sheet had this and gave it to Ten Fingers for not turning up last week to see Little Squirt with his P plate.
Little Squirt tried to charge Pounda for not having a drink when Chunda did. But the RA reversed it as Little Squirt didn't bring it up at the time Chunda was having a drink.	The Walking Stick – Corn Cob had this and gave it to Pounda as he has done another mischief to himself and injured his knee.
ET and Illegally Blonde were charged by the GM for talking in the circle.	The Dummy's – Ground Sheet had these and gave them to B1 for not turning up last week to see Little Squirt with his P plate.

B1 – charged by Chunda for not looking after his girlfriend out on the run.	
Little Squirt – charged by FIGJAM for not letting him know that he got his licence, even after FIGJAM spent five hours in the car with him trying to teach him how to drive.	ET and Singapore Sling were given a fuck off song as they will be gone until July.
