HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2450

Hare – FIGJAM

It was off to Burpengary this week to FIGJAM's for B1's last dance before he goes off to join the boys and girls in grey camouflage. With the threat of some wet stuff falling from the sky, the RA had to do a quick prayer or two to make sure that the rain stayed away for the run. This didn't deter the brave though with 17 Hashers making the trip to see the young fella off. Even Ground Sheet and Corn cob jumped on the redeye flight from Perth to make it back in time.

At 6.30pm, quiet was called for so FIGJAM could give the run/walk instructions. He said the runners trail is on chalk and may involve some shiggy, and the walkers trail is on chalk and flour. There are no hills, no PNG hills anyway. With that the pack was off.

The Run

There were **SIX** runners this week being FIGJAM, B1, Torque Wench, Strong As Shit, Little Squirt and Chunda. Down the driveway and off to the right all the way to Hauton Rd, another right and down to Rowley Rd where they then went bush through the bushland around the Caboolture Region Environment Center and then back out onto Rowley Rd again. Up Rowley Rd past the Peckerwood pub and then through the back streets and back home again.

- The run was 5.19 km

The Walk

The walkers set off following the runners down Rivergum Dr to Hauton Rd. A right turn and up to Kurrjong Dr where they followed that around to Rowley Rd. Another right turn and up Rowley Rd past the Peckerwood pub to Laurel Dr and then back home again.

- **The walk was 4.04 km**

The Circle

The GM got the circle underway and had the RA there for support.

Pounda was asked to give the run count with Little Squirt notching up 50 runs.

There were no returnee's this week.

FIGJAM was then called to the center to be punished for his crimes.

Strong As Shit (Grasshopper) was asked to give the run report – She said that she got every check wrong but figured out where it went eventually. The shiggy was nowhere knee deep so that was a bit of a disappointment but there weren't too many hills so that was pretty good. She gave it a score of - **2 out of 10.**

Dog was asked to give the walk report – He said it was pretty fucking boring but FIGJAM lied about the hills, which was good. He gave it a score of **3 out of 10.**

Illegally Blonde was asked to give the short cutters walk report – She said that it wasn't that short as they did half. Half way there and half way back (may as well done the whole walk), no hills and plenty of lights. She gave it a score of **-4 out of 10.**

Pounda was asked to give the security report – He said that it was good, nice and peaceful with good conversation. Sarge was laying like a big fat lard on the ground after Corn Cob took him for a walk down to the end of the driveway. He gave it a score of **1 out of 10.**

Total of 2 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
FIGJAM – charged by Structure Fucker for having an On Home a long way out from home but then not putting a Not Yet on the ground for Ten Fingers to get confused.	Big Dick – Strong As Shit had this but forgot to bring it.
Little Squirt – charged by B1 for running over hit traffic cone and breaking it.	Two Dicks – Torque Wench had these but decided to keep them as she didn't have a recipient for them.
B1 had a charge for the RA for not wearing his walkie talkie, but it was reversed as Singapore Sling hasn't handed it over yet.	Grubb Shirt – Jake the Peg had this but was missing in action.
B1 – charged by Pounda for tearing the boot of the car apart looking for his running shoes 30 mins before the run. We hope he is more organized by the time he gets to basic Navy training.	The Bone – Ten Fingers had this and forgot to bring it.
All the walkers – charged by the GM for not waiting up at the regroup.	The Walking Stick – Pounda had this and decided to keep it a little longer as he may need it with his current knee injury.
Little Squirt – charged by Chunda for dereliction of duties and not marking off the trail out on the run.	The Dummy's – B1 had these and gave them to Little Squirt for spitting the dummy over B1's run count.

Ten Fingers – charged by B1 for trying to scare the shit out of Chunda when reversing up the driveway.

B1 was given a fuck off song as he is off to join the Navy.
