HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2451

Hare – Structure Fucker

Another Monday night, and another great opportunity to enjoy either a walk, or a run with BNH3. This week it was off to Bracken Ridge for another adventure by our GM Structure Fucker. Bracken Ridge is one of those places where you are either going to get a very hilly trail or a nice flat one. With that in mind and still a few Hasher's away, we managed to get a baker's dozen along to enjoy the night.

At 6.30pm, quiet was called for and Structure Fucker gave the run/walk instructions. He said the trail is on chalk and that both the walkers and runners would need some chalk to mark the trail. With that, they were off.

The Run

With only three runners this week, it was going to be a tough night for the runners to be able to cover all of the checks and false trails. The three runners being FIGJAM, Strong As Shit and Little Squirt meandered their way around the trail while sabotaging the walkers trail on the way. Eventually they made it back home again with no incidents and no one getting lost.

- The run was about 6 km

The Walk

The walkers set off following the runners around the shopping center and then headed towards Bracken Ridge Rd, where they took a right turn and followed the Gateway bikeway down to Carl Pl for another right turn and the headed for home.

- The walk was 4.61 km

The Circle

The GM got the circle underway and once again had the RA there for support.

Pounda was asked to give the run count with Corn Cob notching up 50 runs.

There was one returnee this week being Ned. He said that he has just been a lazy been bastard and couldn't give a rat's arse (sounds like most hashers).

The GM was then called to the center as the Hare to face the music.

Strong As Shit (Grasshopper) was asked to give the run report – She said that trail was hard to find but they eventually found it and she got almost every check wrong. There weren't any hills so points for that. She gave it a score of **3 out of 10**.

Corn Cob was asked to give the walk report – He said that they set out fine and followed the runners and they were marking it off but the runners got lost themselves. They got down to the M1 and the walkers trail had been sabotaged. They eventually found the trail and came back home again. He gave it a score of **3 out of 10**.

Road Kill was asked to give the short cutters walk report – He said that he checked out all the cheap fuel prices went around the pub and woolies and then came back home again. He gave it a score of **2 out of 10**.

Pounda was asked to give the security report – He said that it was good, nice and peaceful with good conversation. He gave it a score of **3 out of 10**.

Total of 2 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Little Squirt tried to charge a few of the Hashers for wearing the same shirt, but it was reversed as he tried to charge himself.	Big Dick – Strong As Shit had this and gave it to Ned for not catching up with her out on the run.
FIGJAM – charged by Corn Cob for sabotaging the walkers trail.	Two Dicks – Torque Wench had these but decided to keep them as she didn't have a recipient for them.
Cheesecake – charged by Pounda for calling Road Kill by his old name of Killer.	Grubb Shirt – Jake the Peg had this but was missing in action.
Pounda and Structure Fucker – given a bonus beer by FIGJAM for lying to the federal government to help FIGJAM get rid of B1 and helping him get his shed back.	The Bone – Ten Fingers had this but was missing in action.
Pounda – given a bonus beer by Cheesecake for coming to Hash after hurting his knee, whereas Chunda has hurt his knee and was too much of a sook to come to Hash.	The Walking Stick – Pounda had this and decided to keep it a little longer as he may need it with his current knee injury.
	The Dummy's – Little Squirt had these and gave them to FIGJAM as he was having a cry about missing B1.
