HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2452

Hare's – Flower & Tail

The twins arrived back from Freo Nash Hash and jumped straight into Haring a run. A wet and dreary Monday saw numbers down a bit but we still managed to get 15 Hasher's along to enjoy the night.

At 6.30pm, quiet was called for and Tail gave the run/walk instructions. She said that due to the weather there was no trail set as she couldn't be arsed into going to set a trail in the rain (likely story). She said to go forth and make up your own trail. With that, they were off.

The Run

With only three runners this week being FIGJAM, Torque Wench and Little Squirt. The elder statesman, led the two young ones on a bit of a merry go round, even throwing in a false trail for them for good measure (which is quite an effort considering there was no trail). Eventually they made it back home again with no one getting lost.

- The run was about 5.51 km

The Walk

The walkers set off in many different directions with none of them wanting to go in the same direction as the others. The Cheesecake group headed of north for a bit of a loop around Kenna St before making their way back past the start point for a southern loop down past Hamilton Rd and then making their way back home again.

- The walk was 3.57 km

The Circle

The GM got the circle underway and once again had the RA there for support.

Pounda was asked to give the run count with no notable runs this week. Little Squirt was made to come out for a drink for getting the run number wrong.

There were two returnee's this week being the twins Flower and Tail. They had some excuse about being off representing BNH3 at the Freo Nash Hash.

The Twins were then called back to the center as the Hare's so the angry mob could lynch them.

FIGJAM was asked to give the run report – He said that it was a great run, however there was a lack of drink stops, no halt checks, only one false trail and no arrows. He gave it a score of **1 out of 10**.

Cheesecake was asked to give the walk report – He said that they set of north and followed the arrows until they got to the checks and then some went that way and others went another way and they all ended up arriving back home again. He gave it a score of **2 out of 10**.

Structure Fucker was asked to give the short cutters walk report – He said that he went on the same trail as the others but didn't do the extra loop and just came back. He gave it a score of **2 out of 10**.

Chunda was asked to give the security report – He said that all he heard was bullshit, bullshit and more bullshit about someone going through an airport and getting into trouble. Other than that it was pretty good. He gave it a score of **3 out of 10**.

Total of 8 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
FIGJAM – charged by Little Squirt for trying to get the runners lost by throwing in a false trail when there was no trail.	Big Dick – Ned had this and asked Cheesecake to award for him. Cheesecake gave it to Chunda for being a soft cock and not turning up to Hash last week so thought he could use a hard cock instead.
Little Squirt – charged by Chunda for being 8 months too early and wearing Xmas shorts. They were where's Wally shorts but Smooth Ride thought they were his where's Willy shorts.	Two Dicks – Torque Wench had these and gave them to Little Squirt for taking on Ned's challenge and kicking as many toads as he could out on the run.
Chunda – charged by FIGJAM for being a sook and not turning up last week. His MRI cohorts in Flower and Pounda had to join him for a drink.	Grubb Shirt – Jake the Peg had this but was missing in action.
FIGJAM and Tail – charged by Vampire for wearing hats in the circle.	The Bone – Ten Fingers had this but was missing in action.
	The Walking Stick – Pounda had this and was going to give it away but he forgot to bring it so had to have a drink for his Alzheimer's.
	The Dummy's – FIGJAM had these and gave them to Little Squirt for whining about the false trail.
Flower told a cracker of a joke to finish the circle off.
