## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2453

#### **Hare – Little Squirt**

With the Easter weekend drawing to a close, the hardy gathered at Bray Park to experience a Little Squirt adventure. The clouds opened up about an hour before Hash which threatened to keep a few away; however that didn't deter many with 18 Hasher's making the trip.

At 6.30pm, everyone was sent out the front for Little Squirt to give the run/walk instructions. He said that due to the weather there may or may not be some trail but if there was it was on chalk and it was all on the pathways. With that the pack was off.

#### The Run

With injuries and no show's it was left up to only one runner to blaze a trail. Torque Wench was set free to run the whole trail by herself and this caused her to become lost and pissed off which will be covered in the run report.

- **The run was about ? km**

#### The Walk

The walkers set off down Samsonvale Rd to the lights before making a right turn onto Youngs Crossing Rd. Up to Francis Rd where they took another right turn and then a long straight stretch along Francis Rd to the creek line near Pounda's street. This is where most of the walkers then missed an arrow and walked a few hundred meters extra, before being called back via a phone call from Pounda. From there it was a right turn to head through some back streets and back home again.

- **The walk was 3.57 km**

## The Circle

The GM got the circle underway and once again had the RA there for support. This is becoming a habit.

Pounda was asked to give the run count with one notable being Pounda notching up 400 runs. It has only taken him 17 years to do so.

There were two returnee's this week being Bitta Relief and Ryvita. Bitta Reief has been gallivanting around the country side and Ryvita has just been slack.

Little Squirt was then made to step forward to receive what was one of the rants of the year about the run.

Torque Wench was asked to give the run report – She said to Little Squirt “you little shit”. She said the scenery was nice, the run was nice but the arrows were a piss poor excuse. He had one arrow down and then the next arrow didn't come until the dinosaur age in time. She gave it a score of **5 out of 10**.

Ten Fingers was asked to give the walk report – He said that is wasn't bad. He almost went the wrong way once but was brought back onto trail immediately. Otherwise a nice little journey around the suburbs. He gave it a score of **1 out of 10**.

Chunda was asked to give the security report – He said that there was a struggle to get the fire going so he had to rescue that. He had a good conversation with Heart Starter (poor man) all about the grandkids. He gave it a score of **12 out of 10**.

### **Total of 18 out of 30**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Little Squirt – charged by Torque Wench for setting a drink stop next to a tap that didn't work. She is going to take him back to the spot and make him drink out of the dogs tap close to the ground.	Big Dick – Chunda had this and gave it to Tail for her miscalling of other Hasher's.
Tail – charged by herself for dereliction of duty and forgetting to bring Pounda's 400 run badge along.	Two Dicks – Little Squirt had these and gave them to Flower for the same reason.
Tail – charged by Chunda for calling Torque Wench by her real name. Flower had to join her as she called Road Kill by his former name.	Grubb Shirt – Jake the Peg had this but was missing in action.
Little Squirt – charged by the GM for setting the arrows so far apart from each other. Something about being distracted by a Jehovah's Witness family trying to convert him.	The Bone – Ten Fingers had this and gave it to Structure Fucker for falling into a hole outside when turning up to Hash.
Ten Fingers was called out for his birthday on Saturday and given a drink. Beat-a-Root also had a birthday on Friday, but as she wasn't there so a proxy was sought and Heart Starter was given the honor.	The Walking Stick – Pounda had this and there could be only one recipient for this in Chunda, as he hasn't been able to run or walk for the last two weeks because of hi dicky knee.
	The Dummy's – Little Squirt had these and decided to keep them for another week.
