HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2454

Hare – Chunda with help from Cheesecake

It was back to Kallangur this week and back to Chunda's place for another Chunda adventure. Well almost as Chunda is still lame so he had to outsource the trail setting to his good mate Cheesecake. So if the trail was fucked up then blame him. With nice clear skies the Hashers came from everywhere and we managed to get 22 Hasher's to make the trip. We even had Strong as Shit turn up with 10 mins to spare before the run.

At 6.30pm, everyone was sent out the front and Cheesecake gave the run/walk instructions. He said that it was all set on chalk and that all trail marking were on the paths, this didn't deter the deaf Hashers that decided to walk out on the rode instead.

The Run

There were four runners this week with FIGJAM and Strong as shit being back and Little Squirt joining the run again as well to keep Torque Wench company. The runners were on the same trail as the walkers with a few extra bits being added on thanks to a few false trails. This meant that the runners all made it back well and truly before the walkers did.

- The run was just over 5 km

The Walk

The walkers set off after the runners and headed down to Brickworks Rd, a quick left turn into the back streets and out onto the pathway that started on Duffield Rd. We followed the pathway for a while before turning right and into some back streets before coming out at the Coles center at

Lillybrook. Around onto old Gympie Rd and left onto Brickworks Rd again before taking a little detour into the back streets again before crossing Brickworks Rd again where we then headed for home.

- The walk was 4.46 km

The Circle

The GM got the circle underway and once again had the RA there for support. This is becoming a habit.

Pounda was asked to give the run count with no notable runs this week. Although Pounda was awarded with his 400 run badge after it was produced by Hash Haberdash.

There were two returnee's this week being Rabbi and Raw Liver and two new Hashers being Amy and Alison who are friends of Ground Sheet.

Chunda and his accomplice Cheesecake were then brought forward to face the firing squad.

Torque Wench was asked to give the run report – She said there weren't a lot of hills but one of them was a false trail and she got every check wrong. There was a bit of wet stuff over the pathways in a few places but no one fell over so it was all good. It was a good trail that was well marked and no one got lost. She gave it a score of **2 out of 10**.

Pounda was asked to give the walk report – He said that it was a good walk, a good distance of 4.46km, a reasonably flat walk, very well marked and all on pathways. He gave it a score of **2 out of 10**.

Vampire was asked to give the short cutters walk report – She said that was not too bad, she knew the territory so it was easy to find their way home again and they ended up walking 2.57km. She gave it a score of **2 out of 10**.

Heart Starter was asked to give the letterbox report – She said that it was a slow trail out to the letterbox but she had to take points off because the trail wasn't lit up and there were many trip hazards in the way. She gave it a score of **4 out of 10**.

Total of 10 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Bitta Relief – charged by FIGJAM for pointing in the circle.	Big Dick – Tail had this and gave it to Cheesecake for saying that the short cutters didn't go to the first regroup.
Chunda, Pounda and Cheesecake – charged by Torque Wench for littering and leaving their bike wheels by the roadside.	Two Dicks – Flower had these but was missing in action.
Road Kill and I can't remember who his accomplices were – charged by Ground Sheet for missing the corner back to home and nearly doing another loop.	Grubb Shirt – Jake the Peg had this but was missing in action.
Chunda – charged by the Bitta Relief for not knowing that she was at Hash last week.	The Bone – Structure Fucker had this and gave it to Little Squirt for being a bonehead.
Heart Starter – charged by Little Squirt for Overproof leaving his umbrella at Hash last week.	The Walking Stick – Chunda had this and gave it to Ryvita as she was a little bit inebriated on the weekend and had trouble walking.
Little Squirt – charged by Ground Sheet for forgetting to get some Cats Piss. This was reversed though as Ground Sheet is the Cats Piss.	The Dummy's – Little Squirt had these and gave them to Bitta Relief for pointing in the circle.
A bonus beer for Rabbi as his next trip away he will be visiting the only country in the world	

that he hasn't been to being Bolivia.	
Raw Liver – charged by FIGJAM for promising to run the next time she was at Hash and the renegeing on the deal.	Vampire – charged by Pounda for lost property. She left her stubby cooler at Pounda's house in March.
Rabbi – charged by FIGJAM for still not being able to produce the GM's paddle.	Heart Starter told a funny story about her and poached eggs. Ask her for the full story.
