## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2455

#### Hare – Road Kill

We were off to Everton Hills this week to Road Kill's house amongst the hills. There must have been some other big event on the same night as we only managed to attract 14 Hasher's to what was a marvelous night Hashing. It was for the majority of Hasher's except for one who will have a trip to the doctors after being accosted by one of the local neighbors.

At 6.30pm, everyone was sent out the front and Road Kill gave the run/walk instructions. He said that it was all set on chalk and that both the runners and walkers were on the same trail for about 3km where the runners will spear off and then eventually meet back up with the walkers again. With that the pack was off.

#### The Run

There were four runners this week being FIGJAM, Torque Wench, Little Squirt and Raw Liver making her running return. They started off with the walkers going up and down all of the hills of Everton Hills before spearing off for an extra loop towards Camelia Ave before working their way back up to South Pine Rd and Queens Rd before spearing off into some more back streets and coming out at Fred Ward Reserve where they then headed for home.

- The run was over 5 km

#### The Walk

The walkers set off after the runners heading towards Old Northern Rd before weaving their way through some back streets and then coming out on Old Northern Rd a bit further up, then down

Russell St to South Pine Rd and up to Queens Rd where they linked back up with the runners trail and started to make their way towards home again. Eventually everyone made it home again, although not safe and sound though as one Hasher managed to get bitten by a dog out on the walk.

**- The walk was 4.17 km**

**The Circle**

The GM got the circle underway with the RA there for support.

Pounda was asked to give the run count with no notable runs this week.

There were no returnee's this week.

Road Kill stepped forward as the Hare to receive his punishment.

Raw Liver was asked to give the run report – She said it was very well marked, quite hilly and a very good run. She gave it a score of **8 out of 10**.

Flower was asked to give the walk report – She said that it was a fabulous trail. No doubt of where to go at any time. She gave it a score of **10 out of 10**.

Pounda was asked to give the short walk report – He said that it was a wonderful walk of 1.62km and that was a bit too far after Rabbi got bitten by a dog not far from the start of the walk. The dog managed to survive but Rabbi will probably need a tetanus shot. He gave it a score of **6 out of 10**.

**Total of 24 out of 30**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Torque Wench was called forward for having a birthday on Sunday and turning 18.	Big Dick – Cheesecake had this and gave it to Little Squirt for taking Chunda to the rodeo on Sunday and breaking him. Chunda was missing at Hash.
Road Kill – charged by FIGJAM for leading the runners through the criminal area of Everton Hills and nearly getting them arrested.	Two Dicks – Flower had these but forgot to bring them.
Torque Wench tried to charge Pounda for misreporting in the trash, but this was reversed as everyone knows that what is written in the trash is the truth, the whole truth and nothing but the truth.	Grubb Shirt – Jake the Peg had this but was missing in action.
Rabbi – charged by FIGJAM for once again failing to produce the GM's paddle.	The Bone – Little Squirt had this and gave it to Torque Wench for having a birthday and not inviting anyone.
Ground Sheet – charged by Pounda for wearing political attire to Hash.	The Walking Stick – Ryvita had this but was missing in action.
Pounda – charged by Rabbi for failing in his duty as his body guard and letting Rabbi get bitten by a dog.	The Dummy's – Bitta Relief had these but was missing in action.
