HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2456

Hare – Cheesecake

The heavens opened up during the day, but that didn't deter us and we were off to Kallangur Heights for Cheesecake's Not the Pie Run. Cheesecake went to the effort of setting a run and walk, but then failed in his job as RA by allowing it to rain during the day and wash out his entire trail. That didn't deter the hardy though and we still set out with Cheesecake setting trail again as he went. We still managed to attract 14 Hasher's though so it wasn't too bad.

At 6.30pm, everyone was sent out the front and Cheesecake gave the run/walk instructions. He said that there was trail set but the rain washed it away, so he would set a live Hare for the walk and the runners could just fend for themselves. With that we were off.

The Run

There were only three runners being FIGJAM, Torque Wench and Little Squirt. They set off on their own loop that went roughly in the same direction as the walkers before eventually stumbling their way onto the walkers trail and following that back home again.

- The run was over 5.36 km

The Walk

The walkers set off after Cheesecake up to Whitehorse Rd and over Marsden Rd and through the sports fields, before coming back out onto Marsden Rd and following that down to the pathway along the storm water drain. From there we followed the pathway across Sheaves Rd and along to the water way in the park near old Gympie Rd, up through the back streets and back out onto Sheaves

Rd again to then take a left and back through the estate behind Cheesecake's house and back home again.

- **The walk was 4.2 km**

The Circle

The GM got the circle underway with his trusty sidekick the RA there for support.

Pounda was asked to give the run count with no notable runs this week.

There were no returnee's this week.

Cheesecake was called into the middle as the Hare to receive his punishment.

FIGJAM was asked to give the run report – He said it was very dismal, here we come down to the RA's run and it got washed out. It wasn't a bad run, they didn't see any trail for a while until they picked up the walkers trail which was well-marked. There was a drink stop and a few re-groups. He gave it a score of **2 out of 10**.

Jenny was asked to give the walk report – She said that it was enjoyable, some slight inclines and some entertaining critters (runners) along the way. There were lots of warnings and no one fell over. She gave it a score of **1 out of 10**.

Road Kill was asked to give the short walk report – He said that he had a good walk and checked out the suburb, he found a two story house that looked like someone was camping out in. He gave it a score of **3 out of 10**.

Total of 6 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Little Squirt – given a drink for getting the run number wrong. Two attempts he had and still stuffed it. He should be the one Hasher that knows what the run number is being the Trail Disaster.	Big Dick – Little Squirt had this and gave it to Pounda for his foreskin story.
Vampire was given a drink for having a birthday last week.	Two Dicks – Flower had these and gave them to Pounda for his foreskin story.
Little Squirt – charged by Torque Wench for calling her Strong As Shit.	Grubb Shirt – Jake the Peg had this but was missing in action.
Pounda – charged by Cheesecake for not hitting any of the yellow bollards even though Cheesecake set a walk where there were plenty of them.	The Bone – Torque Wench had this but forgot to bring it so had to have a drink for her forgetfulness.
FIGJAM – charged by the GM for putting an E in the regroup square instead of a 3.	The Walking Stick – Vampire had this and gave it to Flower for her dickie knee.
Little Squirt – charged by FIGJAM for bragging about having great peripheral vision and then missing an arrow. Vampire had to join him for doing the same thing.	The Dummy's – Bitta Relief had these but was missing in action.
Pounda – charged by Torque Wench for allegedly knocking over a road sign.	
We then had a naming and Jenny will now forever be known as CanIhaveafeel .
