HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2458

Hare's – Ground Sheet & Corn Cob

It was off to Bray Park this week to Chateau de Versace where Ground Sheet, Corn Cob and Little Squirt call home. There was no threat of rain, snow or unicorn's this week so we managed to get 15 Hasher's along to experience a Corn Cob set trail. Or at least we thought that as he ended up outsourcing that job to Little Squirt, something about being busy at work.

At 6.30pm, quiet was called for and everyone was sent out the front so Little squirt could fill us in on where the trail might take us. He said something about it being on chalk and that's all I heard. With that the pack was off like a curious wildebeest looking for a new pasture to graze in.

The Run

There were four runners this week being FIGJAM, Torque Wench, Strong As Shit and Little Squirt. They set off on a different trail to the walkers taking them off towards the Les Hughes sporting fields, before crossing over Francis Rd and through Miller Blvd estate and out onto Todds Rd, where they took a left and headed up past Pounda's place where they stopped for an impromptu drink stop. This surprised the crap out of Beat-a Root who was at home minding her own business. From there it was back out to Francis Rd, across the creek and through the back streets and back to home again.

- The run was 4.36 km.

The Walk

The walkers (all seven of us being Cheesecake, Bitta Relief, CanIhaveafeel, the twins Flower and Tail, Pounda and Structure Fucker) set off the opposite way to the runners, weaving their way around the back streets of Bray Park before crossing over the drain way, only to then follow it for a while before then heading back up through the back streets and coming in to home on the same end trail as the runners.

- **The walk was 3.33 km**

The Circle

The GM got the circle underway with his trusty sidekick the RA there for support.

Pounda was asked to give the run count with no notable runs this week other than Torque Wench coming of age with 18 runs.

There were two returnee's this week being Bitta Relief and Strong As Shit. Bitta Relief said she was untrustworthy and therefore couldn't come to Hash. Strong As Shit said that she was at a different Hash as she doesn't like the GM anymore. Oh she was lucky there wasn't a block of ice handy.

Little Squirt was called into the center to be crucified for his trail setting skills in place of Corn Cob. Ground Sheet and Corn Cob were also called in as it was actually down as their run.

FIGJAM was asked to give the run report – He said that we all know what to expect when Little Squirt sets a run, and bugger me dead he improved. He had lots of arrows, four regroupes and what was called the best drink stop this year. He gave it a score of **1 out of 10**.

Flower was asked to give the walk report – She said that it was splendid. She gave it a score of **9 out of 10**.

Chunda was asked to give the security report – He said that it was pretty good. He sat with his back to the fire to warm himself up and every now and then he managed to get a word in during a conversation with Heart Starter. He gave it a score of **0 out of 10**.

Total of 10 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Little Squirt – charged by Pounda for setting a run past Pounda's place and not setting a Hash Song marking in front of the house to cheer Beat-a-Root up. It was later found out that they actually stopped in and drank Pounda's grog instead.	Big Dick – Chunda had this and gave it to Cheesecake for short cutting out on the walk.
Flower – charged by the GM for turning around on the walkers trail several times and shining her torch directly back at the GM and Pounda blinding them.	Two Dicks – Ten Fingers had these but was missing in action.
Chunda, Cheesecake and Pounda – charged by Torque Wench for leaving more bike parts on the side of the road.	Grub Shirt – Ten Fingers had these but was missing in action.
GM – charged by Bitta Relief for doing a little dance out on the walk while looking for his chalk to mark the trail off.	The Bone – Torque Wench had this and gave it to Chunda to repair his broken bone in his knee.
Ground Sheet – charged FIGJAM for wearing a dirty stinking NSW State of Origin shirt.	The Walking Stick – Flower had this and gave it to Chunda for being broken and not going for a ride on Sunday.
Chunda – charged by Pounda for being a slack prick and not going for a ride on Sunday.	The Dummy's – Bitta Relief had these and gave them to Chunda for all the whinging about his knee and back and everything else.
