HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2460

Hare's – Pounda & Beat-a-Root

They came from everywhere to help Pounda celebrate becoming another year older and another year wiser, at least the first one was true anyway. In all reality though they actually came for Beat-a-Root's cooking and they weren't disappointed with a feast being served up for all. 19 Hashers arrived to the sight of the fire blazing in the fire pit to keep everyone warm, at least until Strong As Shit finally arrived and we could get underway.

At 6.42pm, quiet was called and Pounda gave the run and walk instructions. He said that the trail was on the left, except for when it was on the right, and if it wasn't on either then they were probably lost. With that the pack was off like a bunch of old grannies chasing after John Farnham just to throw their grundy undies at him.

The Run

There were four runners this week being FIGJAM, Torque Wench, Strong As Shit and Little Squirt. They set off with the walkers but were quickly sent on a loop only to come back and meet up with the walkers again, only to be sent off again on their own trail to then meet back up with the walkers again for the final push home. - **The run was 6.49 km.**

The Walk

There walkers set off up Isis Rd and then turned right onto Francis Rd, where they crossed over and then down to the drain way where they followed that all the way to Youngs Crossing Rd, where they turned right and headed up to Todds Rd for another right turn and the long walk home again.

- **The walk was 4.5 km**

The Circle

The GM got the circle underway and once again had his trusty sidekick the RA there for support. Pounda was asked to give the run count with no notable runs this week.

There were a few returnee's this week being Ten Fingers, Vampire, Jake the Peg and Beat-a-Root. Pounda was called forward for a birthday drink and as the Hare.

Little Squirt was asked to give the run report – He said that it was lovely, with no hills and pristine arrows that were easy to see, a brilliant drink stop and a good run. He gave it a score of **1 out of 10**.

CanIhaveafeel was asked to give the walk report – She said that it was a nice pace with not too many hills, nice and smooth with no trip hazards, although they did see a critter on a bike trailing them. She gave it a score of **2 out of 10**.

Road Kill was asked to give the short cutters walk report – He said that it was very flat and cold so he came back very quickly. He gave it a score of **1 out of 10**.

Total of 4 out of 30 – THE BEST RUN OF THE YEAR.

The circle was thrown open to Charges and Awards as below.

Charges	Awards
The GM asked for all the walkers that didn't stop at the re-groups to be in the middle. This was then changed as it turned out that Jake the Peg was leading and didn't stop causing the rest of the walkers to take a slight short cut to follow him, so Jake the Peg was given a drink for his misdemeanor.	Big Dick – Pounda had this and gave it to Ten Fingers for getting CanIhaveafeel's name wrong and for upsetting Pounda's neighbors.
Pounda and Little Squirt – charged by Strong As Shit for not coordinating together to get the drink stop right.	Two Dicks – Ten Fingers had these and gave them to Pounda for his neighbors given Ten Fingers a hard time.
Little Squirt – charged by Ground Sheet for forgetting the box of chips.	Grub Shirt – Ten Fingers had this but was made to keep it as he got the recipient's name wrong.
Ground Sheet – charged by FIGJAM for not getting her money back on Little Squirts education.	The Bone – Chunda had this and was missing in action.
Little Squirt tried to charge Strong As Shit for new shoes but this was reversed as they weren't new shoes.	The Walking Stick – Chunda had this and was missing in action.
	The Dummy's – Chunda had these and was missing in action.
