HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2462

Hare – Torque Wench

Another Monday night and another BNH3 adventure awaited those who dared to venture out into the great wilderness. This week we ventured of to South Cairns to what was once the dole capitol of Australia (otherwise known as Caboolture), to some virgin territory for Torque Wench's maiden run as Hare. It was an adventure just getting there as we took a route in off the highway that included 10 round-a-bouts which made it feel like we were just going around in circles. With all that though we still managed to get 21 Hashers along to experience some virgin territory.

At 6.30pm, everyone was sent out the front and Torque Wench gave the run and walk instructions. She said that it was set on chalk and that the arrows were on the left and on the right and sometimes even in the middle. With that the pack set off like a bunch of kids on an Easter egg hunt.

The Run

There were seven runners this week being FIGJAM, Torque Wench, Strong As Shit, Little Squirt, Jake the Peg, Tinkerbelle and Chunda. They set off on the same trail as the walkers marking off trail as they went. They were sent on an extra loop for good measure and eventually met back up with the walkers for the last leg home.

- The run was 5.30 km.

The Walk

The walkers set off chasing the runners weaving their way through the back streets of what looked like on the map as the central part of Caboolture. We eventually popped out next to a Drakes IGA and then turned left at the Hungary Jacks for a long trek up Ardrossan Road to the roundabout at Elof Road. We then took a left turn after meeting back up with the runners and followed Elof Road for a while before cutting through a laneway and back onto Schofield Circuit and back home again.

- **The walk was 4.13 km**

The Circle

The GM got the circle underway and this time had Grasshopper there under the guidance of the RA for support.

Jake the Peg was asked what the run number was and was given a drink for his mistake.

Pounda was asked to give the run count with no notable runs this week.

There were a few returnees this week being Dog, Smooth Ride and Tinkerbell. They had various excuses for not being at Hash like being overseas etc but none of them were believable.

Torque Wench was called forward as the Hare for her maiden run to be punished for her crimes.

Tinkerbell was asked to give the run report – He said that it was really well marked although they still managed to get lost (confused) a few times but for a virgin Hare it was an awesome run. He gave it a score of **0 out of 10**.

Amy was asked to give the walk report – She said that it was really good arrows and all good and we didn't get lost and we made all the re-groups. She gave it a score of **3 out of 10**.

Rabbi was asked to give the short cutters walk report – He said that they actually went out on trail then deviated a bit and then came back around about without getting lost. He gave it a score of **2.5 out of 10**.

Alison was asked to give the security report – She said it was two thumbs up. She gave it a score of **1 out of 10**.

Total of 6.5 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
FIGJAM – charged by Pounda for causing Pounda to have writers block when writing last week's trash by not having any charges to give. Pick your game up FIGJAM.	Big Dick – Ten Fingers had this and gave it to Strong as Shit for getting to Hash way too early by her standards.
Torque Wench – charged by Little squirt for something about wildlife.	Two Dicks – Cheesecake had these and gave them to FIGJAM for having a blowout on his shoes before the run even started.
Little Squirt – charged by the GM for admitting that he took a short cut out on the run.	Grubb Shirt – Ten Fingers had this and gave it to FIGJAM for wearing new shoes (at least the roll of tape around them made them look new).
Little Squirt – charged by FIGJAM for taking too many photos of wildlife out on the run.	The Bone – Torque Wench had this and gave it to Ten Fingers for not getting a single charge tonight which is really odd.
CanIhaveafeel – charged by Torque Wench for saying last week that she would be at tonight's run. No shit Sherlock considering the run was from your house.	The Walking Stick – Pounda had this and gave it to Ground Sheet for over achieving by doing a 10km walk on Sunday.
Ground Sheet and Little Squirt – charged by Jake the Peg for going to a State of Origin night and then leaving early when NSW were losing.	The Dummy's – Strong As Shit had these and gave them to Ten Fingers for what is anybody's guess.

Strong As Shit – charged by FIGJAM for turning up to Hash 45 mins early and giving Pounda a heart attack.	
Cheesecake, Chunda and Pounda – charged by Ground Sheet for spying on them by sitting at a coffee shop not too far from the 10km walk finish to make sure that Ground Sheet completed it.	Rabbi then presented Structure Fucker with a big stick as GM.
