HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2463

Hare – FIGJAM

An interesting week this week as we were off to familiar territory at FIGJAM's with some unfamiliar weather. The RA failed in his duties to keep the rain away on a Monday Hash day, resulting in it raining all day and making FIGJAM's job a bit harder due to his use of non-waterproof chalk. The rain didn't seem to deter too many though as we still managed to get 21 Hashers along to a rather wet trail.

At 6.30pm, quiet was called for and FIGJAM gave the run and walk instructions. He said that it due to the rain he was only able to set a runners trail with took him four attempts and the use of a whole sheet of builders gyprock to get a little bit of trail down. The walkers could follow Cheesecake who stepped in as a live Hare for the walk. With that the pack was off like Forrest Gump on a cross country run, just running.

The Run

There were six runners this week in what is a first for BNH3 for a very long time. It was all the young ones out tonight in B-, B1, Torque Wench, Strong As Shit, Little Squirt and Bailey. This meant the average age of tonight's running group was 18.8333 years of age. This was because the two old fellas in FIGJAM and Chunda missed the run. They were set off on the same trail as the walkers to start with before being sent off on a few extra loops. Eventually they all made it back safe and sound looking like they hadn't even raised a sweat.

- **Unsure how far the run was as no one recorded it.**

The Walk

The walkers set off up Rivergum Dr to Hauton Rd where the first of many regroupings were held. A right turn and we headed to Rowley Rd for another regroup and another right turn. Along Rowley Rd and up past the Peckerwood Pub to Laurel Dr for another regroup and the witnessing of some dipshit Burpengary bogan in a beat up Ford doing donuts on the road in front of the pub. From here the walkers split into two groups with one group heading for home via Laurel Dr, and the other group extending their walk by heading up to Rivergum Dr for a right turn and a long walk back home again.

- **The walk was 4.81 km**

The Circle

The GM got the circle underway with his trusty sidekicks the RA and Grasshopper there for support. B1 was asked what the run number was and was given a drink for his mistake. He was only 43 off. Pounda was asked to give the run count with no notable runs this week.

There were a few returnees this week being B-, B1, Bitta Relief and Hooker. They had various excuses for not being at Hash but none of them were believable.

There was one virgin this week being Bailey (son of CanIhaveafeel and brother of Torque wench). Apparently B- made him cum.

FIGJAM was called forward as the Hare to be punished for his crimes.

B- was asked to give the run report – He said that FIGJAM lied as there was not one hill, or at least nothing that could be considered a hill anyway. He gave it a score of **5 out of 10**.

CanIhaveafeel was asked to give the walk report – She said that she had a lovely time, good walk, nice company and as far as the hoon in the car she said 'what do you expect, it's Burpengary'. She gave it a score of **1 out of 10**.

Tail was asked to give the ¾ walk report – She said that it was excellent walking up past the pub and following the hoons. She gave it a score of **1.875 out of 10**.

Ground Sheet was asked to give the short cutters walk report – She said that they enjoyed their walk to the pub where they had a couple of drinks and then called for Uber Corn Cob to come and pick them up again. She gave it a score of **2 out of 10**.

Alison was asked to give the security report – She said she had great company and a doggo as well. She gave it a score of **1 out of 10**.

Total of 10.875 out of 50

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Cheesecake – charged by FIGJAM for not doing his job as RA by keeping the rain away during the run. His apprentice Grasshopper Strong As Shit was made to join him.	Big Dick – Strong as Shit had this and gave it to Ground Sheet for making her and Little Squirt late.
Little Squirt, Tail and Hooker – charged by the RA for hats in the circle.	Two Dicks – FIGJAM had these and gave them to Little Squirt for forgetting the difference between a manual and automatic car.
Chunda – charged by B1 for eating all of his chips why B1 was away with his Navy training.	Grubb Shirt – FIGJAM had this and gave it to Ground Sheet for walking to the pub and then getting Uber Corn Cob to pick them up.
Ground Sheet – charged by Little Squirt for forgetting to bring the walking stick and making Little Squirt go back to get it. Little Squirt was charged for admitting that when he took the phone that he pulled over, applied the handbrake and put the car in park. Bit hard to do when you drive a manual.	The Bone – Ten Fingers had this but was missing in action.

B1 – charged by Torque Wench for being home for only 3 days and having his bedroom in an absolute pigsty. Torque wench was made to join him for not training him properly.	The Walking Stick – Ground Sheet had this and gave it to Chunda as his dickie knee was playing up again and he couldn't go for a run.
Bitta Relief – charged by FIGJAM for stealing Flower's thunder by calling someone pig face.	The Dummy's – Ten Fingers had these but was missing in action.
FIGJAM – charged by Chunda for getting Chunda and Pounda mixed up.
