HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2464

Hare – Ten Fingers

It was back to what seems lately to be the epicenter of BNH3 in Kallangur, and back to our former GM's for a run/walk that is always what one could describe as interesting. And Ten Fingers didn't disappoint as we found out when he gave the run/walk instructions. The weather turned out to be a bit chilly however there was no rain and this caused Hashers to come from everywhere with 25 Hashers making the trip to enjoy a Ten Fingers special.

At 6.30pm, everyone was sent out the front for Ten Fingers to give the run and walk instructions. He said that the runners and walkers were on the same trail, and he meant it to as he only set one trail, so the runners were guaranteed to get back before the walkers.

The Run

There were five runners this week being FIGJAM, B-, B1, Strong As Shit and Little Squirt. The Jam's set off first marking off trail as they went and were eventually joined by Strong As Shit and Little Squirt who had to play catch up after a dodgy train schedule delayed Strong As Shit from getting to Hash on time. They runners weren't seen on the trail as there were always ahead due to there being only one trail.

- The walk was 4.91 km.

The Walk

The walkers set off chasing the runners with no chance of catching them. Through the alleyway and across Duffield Rd, then through Balstrup Park where we then turned right and went and found every hill in the back streets of Kallangur. Eventually we made our way back down to Balstrup Park for a right turn along Parkside Dr before we came out on Brickworks Rd and tackled the long straight back up to Duffield Rd and then home again.

- **The walk was 4.91 km**

The Circle

The GM got the circle underway with the RA and Grasshopper there for support.

The GM was about to ask someone for the run number, but then Fog Horn Leg Horn (Little Squirt) blabbed it out and was given a drink for his misdemeanor.

Pounda was asked to give the run count with a notable run with FIGJAM joining the 400 run club.

Ryvita and FIGJAM were called out for having birthdays this week.

There were lots of returnees this week being Sherbet, Heart Starter, Road Kill, Overproof, Ryvita and Tight Arse. They had various excuses for not being at Hash but the one that stood out was Sherbet saying she hasn't been at Hash because it has been too cold. Bloody hell Sherbet, you haven't been to Hash for five months.

Ten Fingers was called forward as the Hare to be punished for his crimes.

B1 was asked to give the run report – He said that Ten Fingers was pretty Jewish with the arrows. He gave it a score of **8 out of 10**.

Tight Arse was asked to give the walk report – He said that it exceeded his expectations. He gave it a score of **2 out of 10**.

Vampire was asked to give the short cutters walk report – She said that she didn't follow any arrows but still found her way back. She gave it a score of **8 out of 10**.

Alison was asked to give the security report – She said it was solid. She gave it a score of **1 out of 10**.

Total of 19 out of 40

The circle was thrown open to Charges and Awards as below.
