HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2465

Hare – Little Squirt

We were off to Bray Park this week for Little Squirt's Bray Park Balls Up, and he didn't disappoint us. It seems that were still arrows out from last week's Halfway Hash run that Little Squirt decided to take the trail along but in the opposite direction, which caused mass confusion to both the runners and walkers, but more will be said about that later in this Trash.

The weather turned it on again with another chilly night, but it must be something about the cold weather that brings everyone out, as we 27 Hashers make the trip to be led around on a Little Squirt magical mystery tour.

At 6.30pm, everyone was sent out the front for Little Squirt to give the run and walk destruction. He said something about arrows going the wrong way but that only confused the bunch even more.

The Run

There were six runners this week being FIGJAM, B-, B1, Strong As Shit, Torque Wench and Old Man Chunda (or he is at least hobbling like an old man at the moment). They set off on trail only to come back and then go off again to come back the wrong way again and ended up missing half the trail and the drink stop.

- The run was 3.98 km.

The Walk

The walkers set off following arrows around through the back streets, through a park, along a drain, into some more back streets before coming out at the netball courts. Then it was around the sports ovals and through some more back streets before coming out onto Baker St and heading for home.

- **The walk was 3.63 km**

The Circle

The GM got the circle underway and his RA there for back up.

The GM asked Jake the Peg for the run number but he had no idea so had to come out for a drink. Road Kill then joined him as he had no idea as well.

Pounda was asked to give the run count with a notable run being Bitta Relief with 50 runs.

There were two returnees this week being ET and Singapore Sling. No one really cared where they were.

Overproof piped up and said it was Amy's birthday but he was set up as her birthday is in August. He was made to have a drink for his enthusiasm (stupidity).

Little Squirt was called forward as the Hare to face the firing squad.

B- was asked to give the run report – He said that it was very interesting as they missed 3kms of the run due to a lot of conflicting arrows. He gave it a score of **6 out of 10**.

Tight Arse was asked to give the walk report – He said that it was like was he expected, a complete mess. He gave it a score of **10 out of 10**.

Ten Fingers was asked to give the short cutters walk report – He said that was really fucking good and they couldn't work out where they were (this report was actually given by FIGJAM with his hand up Ten Fingers backside as a ventriloquist). He gave it a score of **9 out of 10**.

Total of 25 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Jake the Peg – charged by the GM for stitching him up by stealing the GM's wine and putting it back in the esky.	Big Dick – Sherbet had this and gave it to Overproof for not knowing what his own wife looks like.
Little Squirt – charged by B1 for a shit run and he gave him a fuckin shit brick for his efforts.	Two Dicks – Little Squirt had these and gave them to B- for kicking the Gm out of his seat.
B1, B-, Strong as Shit and Torque Wench – charged by FIGJAM for not listening when they were told that they were on the wrong trail and making FIGJAM run an extra 50m.	Grubb Shirt – Ten Fingers had this and gave it to CanIhaveafeel for what I have no idea.
Pounda, Chunda and Cheesecake – charged by Torque Wench for leaving more bike parts around the place. They are building a bike bit by bit.	The Bone – Tight Arse had this and forgot to bring it.
Ten Fingers – charged by Heart Starter for fondling Chunda's back side in the back of the car. No wonder Chunda looked happy.	The Walking Stick – Chunda had this and gave it to Alison as she finally ventured out on a walk and is now feeling a little tired.
B1 – charged by Chunda for mistaking a pizza box for a paver.	The Dummy's – Ryvita had these and was missing in action.
Little Squirt and Ground Sheet – charged by FIGJAM for sprucing for weeks about NSW being so good and then they got beaten.	

Singapore Sling – charged by FIGJAM for the Canadians banning B1 from Canada. They banned Vegemite which is full of B1.

B- charged by Heart Starter for kicking the GM out of his seat last week.
