## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2466

#### Hare – Chunda

It was back to familiar stomping grounds this week in Kallangur and another Chunda adventure. With the threat of rain all day we turned up to Chunda's to find a nice winter night with a slight breeze to make it interesting.

Chunda had the fire pit roaring in the back yard and that's where most Hashers were milling around before and after the run. Except when a quick patch of rain right at the end of the walk sent everyone scurrying for shelter, but it quickly passed and we were left with a nice night for Hashing. Even with the threat of a bit of rain we still managed to get 19 Hashers along for Chunda's Kallangur adventure.

At 6.30pm, the GM sent everyone out the front and gave the run and walk instructions as the Hare was actually out setting the trail. I have no idea what was said as I was still trying to sort out the Hash cash.

#### The Run

There were four runners this week being FIGJAM, Strong As Shit, Torque Wench and Cum Too Early who was visiting from Newcastle. They set off to find trail, leading the way and marking off the trail as they went. As it was the same trail for the runners and walkers with a few little extra bits thrown in for the runners, we didn't see the runners at all until we got back to Chunda's.

- The run was 6.18 km.

## The Walk

The walkers set off chasing the runners and were even sent off on their own cheeky little false trail. As the trail was almost the same as the runners we didn't see them at all on the trail. We had lots of re-groups and the RA did his best to hold the walkers up at each re-group, right until the last one when Jake the Peg and Singapore Sling didn't wait up and were charged for their sins. We went up School Rd and onto Dohles Rocks Rd before taking a little detour through the backstreets and coming out at the Kallangur Train station on Duffield Rd and then headed for home.

- **The walk was 4.83 km**

## The Circle

The GM got the circle underway after the quick shower of rain and the RA there for back up.

Pounda was asked to give the run count with no notable runs this week.

There was one returnee/visitor this week being Cum Too Early (ex Top End Hasher now living in Newcastle). He had done four runs with us earlier in the year and came back to have another go.

Torque Wench was made to come into the circle to have a proxy drink for CanIhaveafeel who was elsewhere celebrating her birthday.

Chunda hopped into the middle as the hare to be punished for his crimes.

Cum Too Early was asked to give the run report – He said that it was pretty good with not too many hills, a few points where they had to turn around and go back but well laid out. He gave it a score of **2 out of 10**.

Amy was asked to give the walk report – She said that it was very good with no hills, nothing and she loved it. She gave it a score of **3 out of 10**.

Smooth Ride was asked to give the short cutters walk report – She said that they were on trail at the beginning and at the end and they just did a short-cut between the trails. She gave it a score of **5 out of 10**.

Alison was asked to give the security report – She said that there were no issues and no dramas (at least until Little Squirt came back anyway). She gave it a score of **1 out of 10**.

**Total of 11 out of 40**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Jake the Peg tried to charge the RA's for raining on the trail. But it was reversed as it didn't rain until we all got back.	Big Dick – Overproof had this but was off at the mines making it bigger.
Singapore Sling and Jake the Peg – charged by Cheesecake for not stopping at the last re-group.	Two Dicks – B- had these but was missing in action.
Corn Cob – given a bonus beer by Torque Wench for keeping the Hare dry while he was cooking the snags on the BBQ.	Grubb Shirt – CanIhaveafeel had this but was conveniently missing.
Singapore – charged by FIGJAM for not contacting the Canadian Ambassador for stopping B1 from entering Canada.	The Bone – Tight Arse had this but was missing in action.
Little Squirt – charged by Torque Wench for not telling us about his secret girlfriend and baby that was seen driving down the road with a red P plate.	The Walking Stick – Alison had this and gave it back to Chunda for tripping over the same walking stick.
Alison – charged by FIGJAM for lying and saying that she would run this week, instead she didn't even go for a walk.	The Dummy's – Ryvita had these and gave them to Chunda just because he was already standing in the middle.
