HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2467

Hare – Smooth Ride

We ventured off down the Deagon Deviation this week to Decker Park at the southern end of the Hornibrook Bridge, for Smooth Ride to surprise with an adventure. I say surprise because Smooth Ride has in the past just led us over the bridge and back again, but this time we were promised a different trail through the back streets of Brighton.

It was a windy evening on Moreton Bay but that didn't deter the 18 hardy Hashers that turned up lured by the food van selling baked spuds.

At 6.30pm, the GM called for quiet and the Hare led everyone out to the end of the car park for the start of the trail. This is where Pounda had to take a seat as he was amazed that Alison had decided to venture out on only her second actual walk. Smooth Ride said that the runners trail goes one way and the walkers had to follow her to find the trail for the walkers. With that the two packs set off looking for trail.

The Run

There were four runners this week being FIGJAM, Little Squirt, Torque Wench and Chunda. They set off up Flinders Pde before coming out onto Beaconsfield Tce and following that to Townsend St, where they took a right turn and headed up to Queens Pde for another right turn, over the bridge over the top of the Deagon Deviation and down into the backstreets where they ended up at Sherbets for a drink stop. From there they followed the pathway beside the Deagon Deviation back to Decker Park.

- The run was 6.04 km.

The Walk

The walkers set off with the Hare to Beaconsfield Rd where they took a left turn and then a right turn and then they threaded their way through the back streets of Brighton and over the same bridge as the runners and onto the drink stop at sherbets. From there they followed the runners back down the Deagon Deviation and back to Decker Park.

- **The walk was 4.68 km**

The Circle

The GM got the circle underway with the RA by his side for back up.

Pounda was asked to give the run count with no notable runs this week.

There were no returnees this week.

CanIhaveafeel was called to the center to finally get a Hash drink for her birthday and for getting the run number wrong.

Smooth Ride was then called into the middle as Hare to be critiqued for her trail setting skills.

Little Squirt was asked to give the run report – He said that it was good, there were hills and checks and a bit of shiggy which is something they haven't seen in a while which was good. He gave it a score of **4 out of 10**.

Flower was asked to give the walk report – She said that it was splendid, plenty of arrows, not arduous and was flat and just splendid. She gave it a score of **9 out of 10**.

Vampire was asked to give the short cutters walk report – She said that it was only 1.88km and was there and back. If she had of gone to the next lamp post then it would have been 2km. She gave it a score of **2 out of 10**.

Tail was asked to give the security report – She said that she sat there and watched all the locals line up to get the baked spuds from the food truck and didn't succumb to one herself. No score was given.

Total of 15 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Little Squirt – charged by FIGJAM for stealing some poor kid's stuffed bear out on the run.	Big Dick – Overproof had this but was off at the mines making it bigger.
Pounda – charged by Cheesecake for keeping up relations with the local Scarborough Porsche drivers.	Two Dicks – B- had these but was missing in action.
Smooth Ride – charged by Pounda for making him think he was back in East Timor climbing the Jesus statue steps where none of the 570 steps are of the same height. A bit like the spacing of the arrows out on the walk where the distance between each arrow was all over the shop.	Grubb Shirt – CanIhaveafeel had this and gave it to Torque Wench for throwing rubbish at her.
Flower – charged by FIGJAM for sticking her fingers in a power socket.	The Bone – Tight Arse had this but was missing in action.
	The Walking Stick – Chunda had this and gave it to Tail and she was sporting a moon boot on one foot.
	The Dummy's – Chunda had these and gave them to FIGJAM for spitting the dummy when he got to Hash. The old fella is getting grumpy.
