## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2469

#### Hare – Bitta Relief

It was off to the happiest suburb in Brisbane this week for Bitta Relief to lead us around 'Gaythorne'.

I got a shock when I got there at 6pm as Strong As Shit was already there (she is taking her role as Grasshopper very seriously). Bitta Relief had two fire pits going to keep the Hashers warm before the walk and the 19 Hashers that turned up took full advantage of this and almost didn't want to go out on trail.

At 6.30pm, everyone was sent out the front for Bitta Relief to give the run/walk instructions. She said that trail was on chalk, flower and loo paper and that the runners may get their feet wet but the walkers would be fine. With that the pack was off like a stale bottle of beer.

#### The Run

There were five runners this week being FIGJAM, B-, Strong As Shit, Torque Wench and Chunda. They set off up Lade St but were quickly turned around with a false trail. From there it was around the block and onto the path way that led down to Brookside shopping center, part the Brook pub and Dan Murphy's and up Osbourne Rd. Down into the creek line and then back out onto the pathway along the creek. Through some back streets before back out on the pathway to cross the creek, through the sports ovals and back home again.

- The run was 5.70 km.

## The Walk

The walkers set off on the same trail as the runners which meant that there were no checks for the walkers. It wasn't long before there were two distinct groups of walkers, the short cutters and the six hardy walkers that were in it for the long haul. They followed the runners around on trail until the creek crossing where the walkers had the use of the bridge while the runners had to cross the creek itself. Through the park and back home again.

- **The walk was 4.53 km**

## The Circle

Both the GM and the RA were away so our Grasshopper Strong As Shit stepped up with the assistance of Chunda and they got the circle underway.

Pounda was asked to give the run count with no notable run numbers this week.

There was one returnee this week being Rabbi who was given a quick drink before his son 3 Skins showed up to whisk him away to a restaurant for dinner.

B- was called out for his birthday and given a Hashy birthday song.

Bitta Relief was summoned to the middle as Hare to be crucified for her trail setting.

B- was asked to give the run report – He said that their shoes didn't get wet like the Hare promised so he said it was a very mild run. He gave it a score of **5 out of 10**.

Heart Starter was asked to give the walk report – She said that it was a beautiful walk especially at the start through the bush (everyone likes a bit of bush). She gave it a score of **2 out of 10**.

Road Kill was asked to give the short cutters walk report – He said that it wasn't too bad but he was still trying to work out what all the people were doing down the road in the industrial shed (gym) then he went through the bush and then turned around and came back. He gave it a score of **2 out of 10**.

Little Squirt was asked to give the security report – He said that security was great, the company was good and they had a little visitor when a possum showed up. He gave it a score of **1 out of 10**.

**Total of 10 out of 40**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Bitta Relief – charged by Jake the Peg for being an asshole and running him past the place where he broke his ankle 7 years ago causing a bit of PTSD.	Big Dick – Overproof had this but Heart Starter hid it on him and couldn't remember where she hid it, so she was made to have a drink for her crime.
FIGJAM wasing given a charge when he called Bitta Relief the wrong name calling her Beat-a-Root instead.	Two Dicks – B- had these and gave them to Bitta Relief for being possessed by the spirit of Radar.
Jake the Peg – charged by FIGJAM for saying that Bitta Relief looked like a lamp shade.	Grubb Shirt – Torque Wench had this and gave it to B- as his brother B1 gave him a shirt for his birthday so Torque Wench thought she would do the same.
Little Squirt – charged by Torque Wench for being on some social media. Foot Finder or Grinder or something like that.	The Bone – Tight Arse had this but was missing in action.
Heart Starter – charged by FIGJAM for calling Overproof (Stevie) and calling Road Kill by his former name Killer.	The Walking Stick – Tail had this but couldn't think of whom to give it to so she kept it.
Smooth Ride – charged by Jake the Peg for mistaking some boxes for beehives. Little Squirt joined her for the same thing.	The Dummy's – Heart Starter had these and gave them to Jake the Peg about where the trail went past the site of his accident.
