## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2470

#### Hare – Torque Wench

It was off to South Cairns (oops I mean Caboolture) tonight for Torque Wench to lead us around on an adventure in her backyard.

There were a few Hashers away this week as it is that time of year where everyone seems to want to go on overseas trips. As the Hash Cash I thought it was about time that I used some of the perks of being Hash Cash and take myself on a holiday, so I threw a dart left handed at a map on the wall to see where I was going to go. Apparently I'm taking a trip behind the fridge. We still managed to get 17 Hashers turn up for what ended up being a very nice and short walk.

At 6.30pm, everyone was sent out the front for Torque Wench to give the run/walk instructions. She said that trail was on chalk and flower. With that the pack was off in different directions like kids on an Easter egg hunt.

#### The Run

There were seven runners this week being FIGJAM, B-, Strong As Shit, Torque Wench, Bailey, Little Squirt and Chunda. Although Chunda had to pull out of the run, due to his dickie knee playing up again. They set off up Schofield Cct and onto Elof Rd where they followed that over the bridge and through the bushland beside Perry Ck and out onto Pumicestone Rd. The followed that up to the Hungray Jacks for a right turn and then up Male Rd, through the alley way and back home again.

- The run was 5.14 km.

## The Walk

The walkers set off across the drainage park to Todd Ct for a left turn onto Elof Rd where we followed that all the way to Ardrossen Rd for a right turn (this was where Amy and Ground Sheet tried to become road kill). From there it was up Male Rd to Herd St where we took a right turn through the alley way and then back home again.

- **The walk was 2.80 km**

## The Circle

The GM was back and got the circle underway with our Grasshopper - Strong As Shit there for support.

Pounda was asked to give the run count with no notable run numbers this week.

There were a few returnees this week being Robinson Crusoe, Ten Fingers and Bailey. They had numerous reasons for not coming to Hash but no one really cared so they were given a down down and sent on their way.

Torque Wench was called to the middle as Hare to be punished for her crimes.

Little Squirt was asked to give the run report – He said that it was a good run although the chalk was a bit feint; the trail was good and well-marked. He gave it a score of **1 out of 10**.

Pounda was asked to give the walk report – He said that it was a rather short walk but the flattest walk all year so it was awesome. He gave it a score of **1 out of 10**.

Chunda was asked to give the short cutters walk report – He said that if he didn't step off the curb so hard he would've been able to do the whole run but his dickie knee reared up so he turned around and walked back home again. He gave it a score of **9 out of 10**.

Canlhaveafeel was asked to give the security report – She said that there was wine and tunes and conversation. She gave it a score of **-1 out of 10**.

**Total of 10 out of 40**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Little Squirt and Smooth Ride – charged by FIGJAM for missing arrows out on the run and the BNH3 on chalk in the driveway.	Big Dick – Overproof has this but Heart Starter still hasn't been able to find it so he didn't come to Hash.
Ten Fingers – charged by Structure Fucker for turning off his torch and then actually seeing the arrows.	Two Dicks – Bitta Relief had these and gave them to Amy as she walked the whole trail leaning on Ground Sheet even though she can walk by herself.
B- and Bailey – charged by Torque Wench for not stopping at the regroup.	Grub Shirt – B- had this and tried to give it to Pounda, but was made to keep it as he didn't wear it on skin.
Chunda tried to charge all the walkers for not seeing him when he was walking back home. This was reversed though because we didn't really care about him enough to see him.	The Bone – Tight Arse has this but was missing in action.
Ground Sheet and Amy – charged by Pounda for trying to become road kill out on the walk when they almost got ran over by a car.	The Walking Stick – Tail has this but she was at home resting her dickie foot.
Torque Wench – charged by FIGJAM for losing her flanno shirt out on the trail.	The Dummy's – Jake the Peg has these but he was at home crying about having them.
