HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2471

Hare – Flower

Another Monday night and another wonderful opportunity to get Hashing. It was off to Bridgeman Downs this week for Lady Flower to lead us up the garden path.

There were still quite a few Hashers away this week tripping off around the world, but that didn't deter the hardy and we still managed to get 17 Hashers turn up for a beautiful late winter night with no sign of rain whatsoever.

At 6.30pm, quiet was called for and Flower gave the run/walk instructions. She said go out the front and find trail. With that the pack was off and I had to play catch up after being busy on the books.

The Run

There were only three runners this week being Strong As Shit, Torque Wench and Little Squirt. They set off on trail in front of the walkers ensuring that the marked off the checks as they went. After a short while the runners were then sent on an extra loop but they still managed to get home before the walkers.

- The run was ??? km.

The Walk

The walkers set off after the runners out onto Bangalow St before crossing Albany Creek Rd and heading east and then a left into Starlight PI where we worked our way to the pathway next to

Cabbage Tree Ck. From here we were led down a dirt track where we crossed the creek via a make shift brick bridge that Flower had erected earlier. Up the other side of the creek, through some back streets to Graham Rd, where we then headed west. It was at this stage where Ground Sheet decided to step off the pathway and roll her ankle. A quick discussion was held about whether we needed to put a call in for someone to come and get her. In the end we decided to make her walk it off. Through some more back streets and out onto Albany creek Rd again where we headed for home.

- The walk was 3.60 km

The Circle

The GM got the circle underway with our Grasshopper - Strong As Shit there once again for support. Sex Change who was returning was asked what the run number was and as he had no idea he was given a drink for his trouble.

Pounda was asked to give the run count with no notable run numbers this week.

There was only one returnee this week being Sex Change.

Flower was called to the middle as Hare to be held accountable for her trail setting skills and to be given a drink for having a birthday during the week.

Torque Wench was asked to give the run report – She said that she quite enjoyed it, they had some creeks and some bush with big arrows. He gave it a score of **0.7 out of 10.**

Ten Fingers was asked to give the walk report – He said that he enjoyed it and congratulated the Hare for building a bride for us. He gave it a score of **1 out of 10.**

Road Kill was asked to give the short cutters walk report – He said that it was good and the arrows were good and he did about half the walk. No score was given.

Tail was asked to give the security report – She said that they didn't get egged but it was close. She gave it a score of **1.75 out of 10.**

Total of 3.45 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Little Squirt had a charge for Strong As Shit for thinking the fake owl on the roof was a real one. But as it was a shit charge the GM reversed it as he was protecting his Grasshopper tonight.	Big Dick – Overproof has this but Heart Starter still hasn't been able to find it so he didn't come to Hash.
Ground Sheet – charged by Ten Fingers for injuring herself out on the walk. Remember RICE	Two Dicks – Amy had these and gave them to Alison for being one run behind her.
Little Squirt – charged by Torque Wench for dumpster diving out on the run and nearly tripping on some wood as he got out of the dumpster.	Grub Shirt – B- has this but was missing in action.
Torque Wench – charged by Little Squirt for forgetting to bring the Hash plates and cutlery.	The Bone – Tight Arse has this but was missing in action.
Amy – charged by Ground Sheet for now being a paid up member of BNH3.	The Walking Stick – Tail had this and gave it to Ground Sheet for doing her best to break her ankle out on the walk.
Torque Wench tried to charge Pounda for putting shit on Caboolture and not Bridgeman Downs for the Hashers getting egged out on the walk. This was reversed though as Torque Wench brought the trash with her from	The Dummy's – Jake the Peg has these but he was at home crying about having them.

Caboolture to do the egging.
