HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2472

Hare – Pounda & Beat-a-Root

They came to Lawnton in the thousands for the RUN OF THE YEAR and they weren't disappointed either. It was off to Pounda and Beat-a-Root's this week in Lawnton for another marvelous Monday night of Hashing.

The rain threatened to derail the night but Grasshopper, standing in as RA did her rain dance and kept most of the rain away. This resulted in 20 Hashers making the trip to experience a Pounda masterclass in trail setting or at least to sample Beat-a-Roots cooking.

At 6.30pm, quiet was called for and Pounda gave the run/walk instructions. He said that the trail was set on chalk and that the runners and walkers would leave together and come home together but they wouldn't meet in the middle. With that all but two set out on the search for trail.

The Run

There were six runners this week, FIGJAM, Strong As Shit, Torque Wench, Little Squirt, CanIhaveafeel and Tinkerbelle coming back for another visit. They set off on the same trail as the walkers to start with but were quickly diverted onto their own trail in the opposite direction to the walkers. Off towards the Lawnton cemetery and the Lawnton train station with a couple of sneaky false trails thrown in for good measure, including one at the bottom of cemetery hill that they then had to run back up again. In and out back streets and unit blocks and back past the sports fields for the lead runners to come back in at the same time as the walkers.

- The run was 7.34 km.

The Walk

The walkers set off on a flat walk up Todds Rd for a left turn onto Youngs Crossing Rd and then another left turn onto the walking path next to Lawnton drain way and then a right and a left turn and through Ebert Park. Then it was another left turn at Dean St, through the lane way and across the drain way up into Granville Park and then back out onto Francis Rd where we headed for home.

- **The walk was 5.03 km**

The Circle

The GM got the circle underway with our Grasshopper - Strong As Shit there once again for support. Amy and Torque Wench were asked what the run number was, and both got it wrong and were given a drink for their indiscretion.

Pounda was asked to give the run count with no notable run numbers this week.

There were a few returnees this week being Ryvita, Beat-a-Root, Singapore Sling and ET. They had various excuses, but no one really gave a shit, so they were given a drink for their sins.

Pounda was called to the middle as Hare to be congratulated on his masterclass on how to set a trail.

CanIhaveafeel was asked to give the run report – She said that it was fucking long but she made it the whole way. She gave it a score of **3 out of 10**.

Amy was asked to give the walk report – She said that the walk was really good fun, and she loved it. She gave it a score of **3 out of 10**.

Tail was asked to give the security report – She said that she fended everyone off the chips and the lollies but she fought them all off. She gave it a score of **1.5 out of 10**.

Total of 7.5 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Singapore Sling and ET – charged by FIGJAM for forgetting their Canadian vegemite jar.	Big Dick – Overproof has this but Heart Starter still hasn't been able to find it, so he didn't come to Hash.
Singapore Sling, ET and Flower – charged by Pounda for not stopping at the regroup. Tinkerbell had to join them for doing the same on the run.	Two Dicks – Alison had these and gave them to FIGJAM for being away for one week and she missed him.
Singapore Sling – charged by Pounda for trying to get a pensioner's discount and only paying \$7 for the run.	Grub Shirt – B- has this but was missing in action.
Little Squirt – charged by FIGJAM for being inconsiderate and taking up two parking spots.	The Bone – Tight Arse has this but was missing in action.
Singapore Sling and Little Squirt – charged by Pounda for sending in the camping trip rego's with nothing on them.	The Walking Stick – Ground Sheet had this and gave it to Singapore Sling for racking up 10000 steps with all of his charges.
Ten Fingers tried to charge Pounda for putting up a gazebo to protect the Hashers from the rain. This was reversed for being a shit charge.	The Dummy's – Jake the Peg has these, but he was at home crying about having them.
Strong As Shit was given a drink because it was raining out on the trail. When it rains the RA drinks.	

Little Squirt tried to charge Pounda for not putting words on the photos. This was reversed as the Trash and anything in it is gospel.
