## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2473

#### Hare – Structure Fucker

Another Monday night and another chance to get your Hash on. This week it was off to Bracken Ridge for the GM's run where he promised some hills for the runners. With a full moon in the sky and absolutely no sign of rain, the Hashers came from everywhere for a Structure Fucker special.

The pristine weather attracted 16 hardy Hashers along to enjoy the night.

At 6.33pm (yes, we had to wait for a couple of latecomers that weren't Strong As Shit this time), quiet was called for and the GM gave the run/walk instructions. For the life of me I can't remember what he said, because even though quiet was called for there were still several Hashers who clearly don't know the meaning of the word quiet and kept talking, so I couldn't hear the GM. With that, all but the GM who stayed behind as security and Pounda who had to go to the airport, set out on the search for trail.

#### The Run

There were six runners this week, FIGJAM, Strong As Shit, Torque Wench, Little Squirt, B- and Ned. They set off on Denham Street and that was the last I had seen of them as I drove past on my way to the airport. From the reports I heard they went up some streets and down some other streets and found some pathways to run along as well before ending up back at the start point.

**- The run was 4.32 km. I can't back that up, but it sounded good.**

## The Walk

The walkers set off after the runners up Denham St. I know this as I passed them on my way to the airport. They too found some streets to walk up and some more streets to walk down before finding some pathways to walk along before ending up back at the start point.

**- The walk was 4.32 km. I can't back that up, but it sounded good.**

## The Circle

The GM got the circle underway with our Grasshopper - Strong As Shit there once again for support. Our RA might return one day to take his post again.

B- and Road Kill were asked what the run number was, both got it wrong and were given a drink for their indiscretion.

Pounda was asked to give the run count with no notable run numbers this week.

There were a few returnees this week being Ned, B-, Smooth Ride and Chunda. They had various excuses, but no one really gave a shit, so they were given a drink for their trouble.

Ground Sheet, Structure Fucker and Road Kill were called in for having birthdays this week. Pounda joined them but it wasn't his birthday. It was his son Quarter Pounda's birthday.

Structure Fucker was called to the middle to be punished for his crimes as Hare.

Ned was asked to give the run report – He said that it was excellent and that the GM did a great job in hiding most of the arrows behind the shade of the poles. He gave it a score of **10 out of 10**.

Chunda was asked to give the walk report – He said that he wasn't alone as he had Allison with him, there was good conversation, and they ran into the GM on the way back. He gave it a score of **1 out of 10**.

Singapore Sling was asked to give the short cutters walk report – He said that the walk was like the Australian banking system – no checks. He gave it a score of **3 out of 10**.

**Total of 14 out of 30**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Little Squirt – charged by FIGJAM for shortcutting and not listening.	Big Dick – Overproof has this but Heart Starter still hasn't been able to find it, so he didn't come to Hash.
Chunda and Allison – charged by Pounda for the heinous crime of GM abuse admitting that they walked into the GM. What couldn't they go around him?	Two Dicks – FIGJAM had these and gave them to Little Squirt for trying to make up some Hash rules.
Little Squirt tried to charge B- for skipping out on the run, but this was reverse charged because he admitted to walking on the run. Torque Wench had to join him as he dobbed her in for walking as well.	Grub Shirt – B- had this and gave it to Little Squirt just because he could.
FIGJAM tried to charge Torque Wench for not wearing any Hash gear, but this was reversed as FIGJAM is blind and she was wearing a Hash shirt.	The Bone – Tight Arse has this but was missing in action.
	The Walking Stick – Singapore Sling had this and gave it to Road Kill for what I don't know.
	The Dummy's – Jake the Peg has these, but he was at home crying about having them.
