HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2474

Hare – Ground Sheet

It was off to Bray Park this week to Ground Sheet's and Corn Cob's abode for a Bray Park adventure. The weather was perfect with not a single cloud in the sky which made for a very pleasant night for a run or walk.

The pristine weather attracted 16 Hashers along to enjoy the night.

At 6.30pm everyone was sent out the front for Corn Cob to give the run/walk instructions. He said something like 'you may hate me, or you may love me, but if you don't love me, then you will definitely hate me'. This was very cryptic for many reasons for which I can remember none of them. With that the pack was off in search of trail, the runners on one trail and the walkers on another trail but both were on the same trail. Bloody hell, where do I come up with this stuff?

The Run

There were four runners this week, FIGJAM, Strong As Shit, Torque Wench and Little Squirt. They set off on trail to the left but were very quickly brought back onto trail with the walkers, only to be sent off again what seemed like every side street they passed. They seemed to catch on to this very quickly though except for Strong As Shit who kept going off on the side trails and she didn't seem very happy about it. Eventually they all made their way back home again.

- The run was 4.59 km.

The Walk

The walkers set off climbing the rise which was Samsonvale Rd to then turn right onto Lavarack Rd where we followed that all the way to the end. Then it was a right turn onto old Northern Rd which then started to head downhill again. From there it was down to the alley way into Kentwood Dr, where we then worked our way through the back streets to come back out onto Samsonvale Rd again where we then turned right and headed for home. A bit of a short walk tonight but still a good walk.

- The walk was 2.90 km.

The Circle

The GM got the circle underway with the RA Cheesecake making a return from his overseas holiday looking for Moose to support the GM.

Heat Starter and Tail were asked what the run number was, both got it wrong and were given a drink for their indiscretion.

Pounda was asked to give the run count with no notable run numbers this week.

There were two returnees this week being Cheesecake and Heart Starter. They have both been travelling around the globe. Cheesecake is Canada and Alaska and Heart Starter in Dubai and Italy.

Ground Sheet was called in again for having a birthday this week. I think she has more birthdays than John Farnham has come backs. Torque Wench joined her as it was B1's birthday today.

Ground Sheet was called to the middle to be punished for his crimes as Hare and dragged Corn Cob in with her.

Little Squirt was asked to give the run report, but no one really cared what he had to say so we got another run report from Strong As Shit – She said that at the beginning Corn Cob said that the runners would either love him or hate him – she said that she HATED him. She gave it a score of **8 out of 10**.

Flower was asked to give the walk report – She said that it was absolutely bloody splendid, well-marked just the right pace and perfect. She gave it a score of **10 out of 10**.

Tail was asked to give the short cutters walk report – She said that she didn't get propositioned at all, and she didn't fall over and pretty uneventful. She gave it a score of **1 out of 10**.

Total of 19 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Corn Cob – charged by FIGJAM for making a stupid comment of you might not love me and then backing it up with a crap run.	Big Dick – Overproof has this but Heart Starter still hasn't been able to find it, so he didn't come to Hash.
FIGJAM – charged by Pounda for flashing one of his boys at Pounda. Bring on the PTSD.	Two Dicks – Little Squirt had these and gave them to Corn Cob for making a stupid comment about the run.
Corn Cob was given a charge for whining about the empty cans going in the wrong spot.	Grub Shirt – Little Squirt had this and gave it to FIGJAM for sweating too much during the run and having to take a shower where Little Squirt could take a photo of him.
Smooth Ride was called in and given a drink as she didn't seem to want to be part of the circle. She was over by the fire instead.	The Bone – Tight Arse has this but was missing in action.
Little Squirt – charged by FIGJAM for taking photos of two old men taking a shower.	The Walking Stick – Singapore Sling had this and gave it to Road Kill for what I don't know.
	The Dummy's – Jake the Peg has these, but he was at home crying about having them.
